job The season that followed demonstrated why Ferguson deserves to be seen as the greatest manager the modern game has produced with Manchester United deposing Chelsea as Premier League champions and eventually seeing off Jos Mourinho Ferguson would later call it the greatest achievement of his time at England's biggest football club This Is The One is the close up warts and all account of what happened during those two helter-skelter seasons the excruciating lows and the exhilarating highs It is also a fascinating exploration of the many different facets of Ferguson himself from his infamous hairdryer treatment to the softer more humane side of the most successful manager in the business
