A superb writer in any genre she chooses to tackle, this book was prepared on the occasion of Atwood's sixtieth birthday in November 1999. Its first aim is therefore to take stock of Atwood's multifarious works and international impact at the height of her creative powers. Secondly, the book serves as a wide-ranging introduction to the writer and her works. Fifteen informative articles, written specifically for this volume by Atwood specialists from Canada, the USA, the UK, Germany, and France, treat her life and status, her works up to date, survey articles on Atwood's novels, short fiction, poetry, and literary and cultural criticism, and important approaches to her works from the standpoints of gender, politics, mythology, ecology, popular culture, constructivism, and Canadian nationalism. A final section on creativity, transmission, and reception includes an interview with Atwood on creativity, statements by some of Atwood's important transmitters, including publishers, editors, literary agents, and translators, and some 15 statements by Atwood's fellow writers in which they explore her importance for them. A number of photographs of Atwood, several cartoons drawn by her, an up-to-date bibliography of works by and about Atwood, and an index round out the volume. Reingard M. Nischik is Professor of American literature at the University of Konstanz, Germany. **Self-fashioning in Margaret Atwood's Fiction** Cynthia G. Kuhn, 2005

Frank Lorenz, 2007-08-25 Seminar paper from the year 2001 in the subject American Studies Literature grade 1-7 A <http://www.uni-jena.de> Institute for Anglistics American Studies course Aspects of the Crime Novel in Canada and Australia 7 entries in the bibliography language English abstract With her recent novel *Alias Grace* Margaret Atwood has turned to the field of historical writing In her novel which is set in 19th-century Canada the female protagonist Grace Marks is a convicted murderess who is accused of having killed her master Thomas Kinnear and his mistress another servant of the house Nancy Montgomery At the time Grace was sentenced to death and it was only her claimed madness that saved her from the gallows

When Simon Jordan decides he wants to study Grace's case and cure her from her amnesia Grace tells him her life story and also the event of the crime is again being brought up though Grace cannot remember the crime scene itself or having committed the crime. Even though a murder has been committed as one can expect in a crime novel and we can only but assume that Grace has had some part in it the crime is not the focus of the novel but rather Grace's story and what we as readers make of it. The novel goes to explore Grace's life her story telling and therewith her personality. It is left to the reader to decide whether or not he believes Grace story and accepts her as being innocent. In what way this quest for the truth goes with the notion of a crime novel shall be investigated in this paper.

*The narration in "Alias Grace". Ambiguity of Grace Marks* Nadine Henke, 2020-10-05 Essay from the year 2019 in the subject Communications Movies and Television grade 17 course Gender in Film and the Visual Arts language English abstract The ambiguity of Grace herself is especially interesting about this series. Therefore my attempt is to first analyze the narrative style especially concerning the different timelines as well as Grace's unreliability and ambiguity as a character and narrator. Furthermore I will connect this way of narrating to Grace's quilting which is omnipresent in the series and can be read as another form of communication and narration especially for women at a time where they usually had to stay silent. With a rather powerful voice over begins the telling of Grace Marks by that time a 33 year old maid that was convicted of murdering her former employer Thomas Kinnear and his house keeper Nancy Montgomery together with the stable boy James McDermott. While he gets hanged Grace is sentenced to life imprisonment. Now 15 years after her conviction psychologist Dr Simon Jordan is hired to talk to Grace to find out if she really was guilty of the murders or not. These are true events that took once place in 1843 and then were adopted for a novel written by Margaret Atwood *Alias Grace*. Based on this novel the Canadian US American Drama mini series *Alias Grace* written by Margaret Atwood and Sarah Polley and directed by Mary Harron was released in 2017. It is the story of Grace Marks the question of her innocence and guilt that is constantly being asked by Dr Jordan as well as the audience.

**Literary Culture and Female Authorship in Canada, 1760-2000** Faye Hammill, 2003 There are two ladies in the province I am told who read writes Frances Brooke's *Arabella Fermor* but both are above fifty and are regarded as prodigies of erudition. Brooke's *The History of Emily Montague* 1769 was the first work of fiction to be set in Canada and also the first book to reflect on the situation of the woman writer there. Her analysis of the experience of writing in Canada is continued by the five other writers considered in this study: Susanna Moodie, Sara Jeannette Duncan, L. M. Montgomery, Margaret Atwood and Carol Shields. All of these authors examine the social position of the woman of letters in Canada, the intellectual stimulation available to her, the literary possibilities of Canadian subject matter and the practical aspects of reading, writing and publishing in a post colonial country. This book turns on the ways in which those aspects of authorship and literary culture in Canada have been inscribed in imaginative autobiographical and critical texts by the six authors. It traces the evolving situation of the Canadian woman writer over the course of two centuries.

and explores the impact of social and cultural change on the experience of writing in Canada      **Alias Grace** Margaret
