[Quozl](#) Alan Dean Foster, 2014-11-04 Rabbitlike aliens from outer

space colonize Earth during humankind's Second World War in a delightfully funny and thought provoking science fiction adventure. The Quozl just need somewhere to call home. A gentle race of extraterrestrial rabbits they have a propensity for reproduction that has left their home planet Quozlene dangerously overpopulated and in their search for greener and less crowded pastures they have discovered the perfect place to start over the third planet away from a healthy warming sun. What they don't realize is that this world they call Shiraz is already inhabited by a species of violent sentient creatures known as humans. But there's no going back now. In the midst of the brutal and helpfully distracting global conflict the Shirazians call World War II the colony ship lands undetected and the space rabbits immediately go into hiding. But a secret like the Quozl can be concealed for only so long especially when their numbers start to increase and certain rebellious members of the long eared society decide the time is ripe to claim their place in a world they believe is rightfully theirs. One of the most admired and prolific authors in the science fiction arena Alan Dean Foster will delight readers who hunger for something different with this funny thoughtful and wildly inventive novel of first contact and coexistence. Once you meet the Quozl you will never forget them.

[Voyage to the City of the Dead](#) Alan Dean Foster, 2023-05-09 From a 1 New York Times bestselling author a research expedition to an alien planet takes a treacherous turn for married scientists in this sci fi fantasy. As the first humans granted permission to explore Tslamaina Etienne and Lyra Redowl should have been ecstatic. The planet's massive river valley is like no other in the known universe with three intelligent species living along its waters a dream expedition for the geologist anthropologist duo. But the intolerable climate makes their research arduous as does the growing tension between them. Fortunately the husband and wife team are well prepared for their adventure with a state of the art hydrofoil and the assistance of the native inhabitants. But nothing could have prepared them for the dangers they encounter as they make their way to the river's source. [Nor Crystal Tears](#) Alan Dean Foster, 2021-07-27 A first contact novel written from an alien perspective by the 1 New York Times bestselling author of Star Wars The Force Awakens and Star Trek Into Darkness Ryo is one of the Thranx a race of social arthropods. From his larval years to now his life has been normal though his love of learning and insatiable curiosity set him apart. He has settled into his work as an agriculture specialist and is predated to a lovely female. Yet Ryo still feels something is missing from his life and when he heroically defends his colony from the Thranx's reptilian nemesis Ryo gets a taste of excitement that's hard to forget. Then his premate shares a garbled message from her starship captain cousin one that hints at the discovery of a completely new completely alien space going intelligence. Even when the captain backtracks and denounces the experience as a deep space nightmare Ryo can't let it go. He becomes obsessed leaving his colony and family behind to chase rumors of a murderous alien race horrible beyond imagining. And when he finally makes it to an isolated military outpost rumored to harbor the captured aliens he comes face to face with humanity.
