

Resilience of Assured Guaranty

Enduring Financial Strength

ASSURED
GUARANTY

Assured Guaranty maintained ~\$11 billion of claims-paying resources* over 16 years while paying more than \$14 billion to insured investors.

From January 1, 2008, through December 31, 2023:

- Assured Guaranty paid \$14.3 billion to protect investors' principal and interest payments.
- After reinsurance reimbursements and our effective loss mitigation efforts, our net claims paid totaled \$5.8 billion.
- We also spent an additional \$5.9 billion to repurchase \$4.9 billion of common shares and pay \$949 million in dividends.

Yet at the end of the same period:

- **We had nearly the same amount of claims-paying resources***
- Our insured portfolio leverage had been cut by more than half, greatly improving our risk profile

* Aggregate data for insurance subsidiaries within the Assured Guaranty Ltd. (NYSE:AGO) group. Claims on each insurance subsidiary's guarantees are paid from that subsidiary's separate claims-paying resources. Details in the latest Assured Guaranty Ltd. Financial Supplement at assuredguaranty.com/egldata.

** Net claims paid = gross claims paid less recoveries, reimbursements and reinsurance. Excludes effect of insured securities repurchased for loss mitigation.

† Includes AGM pre-acquisition. Represents beginning of loss period for 2008 (January 1, 2008).

†† Includes AGM pre-acquisition.

‡ Beginning 1Q2022, Net Claims Paid reflects Puerto Rico settlement proceeds as cash received and the fair value on delivery date of bonds and contingent value instruments received; as bonds are sold, Net Claims Paid is adjusted to account for the actual sale price of the bond or contingent instrument at the time of that sale.
