Always Running :

Information-Oriented Logic Zbigniew Plotnicki,2025-09-01 The book introduces a new form of mathematical logic called Information Oriented Logic IOL It demonstrates that IOL is capable of solving various classical and non classical logic problems that cannot be solved by traditional methods of logic In this book it is argued that two meaningful declarative sentences or symbols can make the same statement if they express the same thing or referent in different ways The book treats a piece of information as the referent for a meaningful declarative sentence thus inventing information oriented logic As a result this book provides a comprehensive guide to this logic Unlike traditional logic which uses declarative sentences as the result of logical expressions this new logic uses pieces of information The book is intended for undergraduate and graduate students as well as scholars applying mathematical logic to various fields such as philosophy linguistics ontology information theory computer science etc Additionally it provides a new mereology in which all implications of a piece of information are its parts **The Vertical Jump Secrets** T.B. Always Running Luis J. Rodriguez,1993 The award winning and bestselling classic memoir about a young Chicano gang member surviving the dangerous streets of East Los Angeles now featuring a new cover Winner of the Carl Sandburg Literary Award hailed as a New York Times notable book and read by hundreds of thousands Always Running is the searing true story of one man s life in a Chicano gang and his heroic struggle to free himself from its grip By age twelve Luis Rodriguez was a veteran of East Los Angeles gang warfare Lured by a seemingly invincible gang culture he witnessed countless shootings beatings and arrests and then watched with increasing fear as gang life claimed friends and family members Before long Rodriguez saw a way out of the barrio through education and the power of words and successfully broke free from years of violence and desperation Achieving success as an award winning poet he was sure the streets would haunt him no more until his young son joined a gang Rodriguez fought for his child by telling his own story in Always Running a vivid memoir that explores the motivations of gang life and cautions against the death and destruction that inevitably claim its participants At times heartbreakingly sad and brutal Always Running is ultimately an uplifting true story filled with hope insight and a hard earned lesson for the next generation **Supreme Court , The Critic** ,1894
