saw and his family's journey towards accepting their young son had visited the afterlife. Do you remember the hospital Colton Sonja said Yes mommy I remember he said That's where the angels sang to me Colton told his parents he left his body during an emergency surgery and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation. He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he'd never met. Colton also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly even though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child Colton recounts his visit to heaven describing Meeting long departed family members Jesus the angels how really really big God is and how much God loves us. How Jesus called Todd Colton's father to be a pastor. The Battle of Armageddon Retold by his father but using Colton's uniquely simple words. Heaven Is for Real offers a glimpse of the world that awaits us where as Colton says Nobody is old and nobody wears glasses. Heaven Is for Real will forever change the way you think of eternity offering the chance to see and believe like a child. Praise for Heaven is for Real A beautifully written glimpse into heaven that will encourage those who doubt and thrill those who believe.
