Eisler, 2022-12-14 Choice Outstanding Academic Title 2024 Senators Bob and Elizabeth Dole Biennial Award for Distinguished Book in Veterans Studies winner Who writes novels about war For nearly a century after World War I the answer was simple soldiers who had been there The assumption that a person must have experienced war in the flesh in order to write about it in fiction was taken for granted by writers reviewers critics and even scholars Contemporary American fiction tells a different story Less than half of the authors of contemporary war novels are veterans And that s hardly the only change Today s war novelists focus on the psychological and moral challenges of soldiers coming home rather than the physical danger of combat overseas They also imagine the consequences of the wars from non

American perspectives in a way that defies the genre's conventions To understand why these changes have occurred David Eisler argues that we must go back nearly fifty years to the political decision to abolish the draft The ramifications rippled into the field of cultural production transforming the foundational characteristics authorship content and form of the American war fiction genre WLA ,2012 Kind of Kin Rilla Askew,2013-01-08 In *Kind of Kin* by award winning author Rilla Askew when a church going community loved family man is caught hiding a barn full of illegal immigrant workers he is arrested and sent to prison This shocking development sends ripples through the town dividing neighbors causing rifts amongst his family and spurring controversy across the state Using new laws in Oklahoma and Alabama as inspiration *Kind of Kin* is a story of self serving lawmakers and complicated lawbreakers Christian principle and political scapegoating Rilla Askew's funny and poignant novel explores what happens when upstanding people are pushed too far and how an ad hoc family and ultimately an entire town will unite to protect its own **Captivating Westerns** Susan Kollin,2015-10 Tracing the transnational influences of what has been known as a uniquely American genre the Western Susan Kollin's *Captivating Westerns* analyzes key moments in the history of multicultural encounters between the Middle East and the American West In particular the book examines how experiences of contact and conflict have played a role in defining the western United States as a crucial American landscape Kollin interprets the popular western as a powerful national narrative and presents the cowboy hero as a captivating figure who upholds traditional American notions of freedom and promise not just in the region but across the globe *Captivating Westerns* revisits popular uses of the western plot and cowboy hero in understanding American global power in the post 9 11 period Although various attempts to build a case for the war on terror have referenced this quintessential American region genre and hero they have largely overlooked the ways in which these celebrated spaces icons and forms rather than being uniquely American are instead the result of numerous encounters with and influences from the Middle East By tracing this history of contact encounter and borrowing this study expands the scope of transnational studies of the cowboy and the western and in so doing discloses the powerful and productive influence of the Middle East on the American West **Kaapse bibliotekaris** ,2013 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 **War, Literature, and the Arts** ,2012 *101 Marvellous Movies You May Have Missed* David Stratton,2018-11-28 Are you tired of trawling through movies you don't recognise on Netflix Sick of reading short film descriptions that sound boring Don't know what to watch next Let leading film critic David Stratton introduce you to 101 movies that you probably haven't heard of and tell you why they are worth seeing David Stratton's selection of overlooked gems includes movies from such well known directors as David Lynch Ang Lee and Sidney Lumet They star popular actors such as Colin Firth Meryl Streep Sean Connery Cate Blanchett Clint Eastwood Reese Witherspoon Paul Newman Emma Thompson and Jake Gyllenhaal They include comedies thrillers westerns musicals and romances and were produced from the 1980s through to the past few years A perfect gift for anyone who relishes a cosy night at home with a good movie
