

The cover of the 'Investigating Biology Laboratory Manual' features a close-up photograph of a dandelion seed head. A single seed is captured in mid-air, having just detached from the head, with its long, feathery pappus trailing behind it. The background is a soft, out-of-focus blur of other dandelion heads and green leaves. The text is printed in a clean, white, sans-serif font against the dark, textured background of the top half of the cover.
