Many people individually love this ministry. Many of them have given their testimony how your books on gossip and conflict have caused me to change and be delivered from emotional wounds. In order for us to change, we as leaders in the workplace and those in the church must understand what is hurting and eating away in the workplace and the church. When we understand that gossip and conflict is the basis of problems, we then must embrace these evil attitudes and find biblical answers to help us overcome these attitudes. Leaders must begin using strategy such as seminars, workshops, and resources that will address issues of gossip and conflicts. We must shine the light of God's Word and expose gossip and conflicts.
