**Bolshevism in Retreat** Michael S. Farbman, 1923      **Sovietism** William English Walling, 1920 A great journey A new love A dark secret revealed Evreux France 1788 Before she is Zoey's favorite professor and the House of Night's powerful horse mistress Lenobia is just a normal 16 year old girl with enough problems to last a lifetime As the illegitimate daughter of a powerful baron she has never quite belonged and instead has to watch her spoiled half sister Cecile get anything she wants As if that's not enough her remarkable beauty draws unwanted attention wherever she goes For once she would like to just fit in But when fate intervenes Lenobia suddenly finds herself surrounded by other girls on a ship bound for New Orleans where they will be married off to the city's richest Frenchmen And they're not alone An evil bishop who is skilled in Dark magic makes the same journey His appetite for lovely young women makes him dangerous most of all to Lenobia who caught his eye back in France So she remains hidden making secret visits to the ship's stables where a handsome young man and his beautiful Percheron horses soon capture her attention Will they make it to land before the bishop discovers her true identity and a powerful evil breaks loose And will Lenobia follow her heart even if it puts lives at risk Find out more about one of your favorite professors in the next heart thumping House of Night Novella      *Bolshevism: The Road to Revolution* Alan

Woods, 2018 There have been a multitude of histories of Russia either written from an anti Bolshevik perspective or its Stalinist mirror image which both paint a false image of Bolshevism For them the Russian Revolution was either an historical accident or tragedy or is presented as the work of one great man Lenin who marched single mindedly towards October Using a wealth of primary sources Alan Woods reveals the real evolution of Bolshevism as a living struggle to apply the method of Marxism to the peculiarities of Russia Woods traces this evolution from the birth of Russian Marxism and its ideological struggle against the Narodniks and the trend of economism through the struggle between the two strands of Menshevism and Bolshevism and up to the eventual seizure of power Bolshevism The Road to Revolution is a comprehensive history of the Bolshevik Party from its early beginnings through to the seizure of power in October 1917 This important work was first published in 1999 with material collected by the author over a thirty year period and was republished to mark the centenary of the Russian Revolution It represents the authoritative work on the building of the Bolshevik Party and can be used as a handbook for those involved in the movement today      *The Practice and Theory of Bolshevism* Bertrand Russell, 1921

*Bolshevism* Waldemar Gurian, 1952      *The Practice and Theory of Bolshevism* Bertrand Russell, 2020-12-11 The Practice and Theory of Bolshevism is a work by Bertrand Russell dealing with the situation in Russia within a few years after the revolution and essential aspects of Bolshevik theory The book is an excellent review of Communism in the early days of the Soviet Union Russell is adherent to the communist idea but points out some practical faults which will be proven accurate in following years leading to inevitable failure of the system This careful study provides a further insight to the movement in Russia and a better understanding of Bolshevism      **Teachable Facts about Bolshevism and Sovietism ...** Institute for

Baron Heyking,1919      *World Bolshevism* Iulii Martov ,2022-02-28 Beginning in 1903 the Russian Social Democratic Labour Party was divided into opposing sections one led by Vladimir Lenin the other by Iulii Martov Until 1917 both Lenin and Martov were equally prominent figures in Russian politics Martov an anti war socialist intellectual from a Jewish background wrote prolifically for a number of important publications inside and outside Russia Although the books articles and pamphlets written by Lenin during the same period remain readily available today those by Martov are extremely hard to find in their original Russian or in translation Following Martov s untimely death in 1923 a Russian language edition of one of his books *World Bolshevism* was published But it was only in 2000 after decades of extreme censorship that parts of the book were legally published in Russia In English this work has reached the public in pieces often as a part of pamphlets with limited circulation This edition which includes an introduction by Paul Kellogg that contextualizes the work and reintroduces Martov as an important thinker to a twenty first century readership makes Martov s work available in its complete form for the first time in a hundred years      **Bolshevism and the United States** Charles Edward Russell,1919      *Bolshevism (Routledge Revivals)* Paul Miliukov,2010-07-02 First published in 1920 Paul Miliukov s book concerns the international nature of Bolshevism both in terms of its ideologically internationalist doctrine of World Revolution and in terms of the attempts to spread Bolshevism in the period immediately preceding and following the First World War and the Russian revolution of October 1917 This reissue is a must for anyone interested in the rise of Bolshevism as an international force      **Bolshevism** John Spargo,1919      **The Bolshevism: Theory vs. Practice** Bertrand Russell,2021-05-07 The Practice and Theory of Bolshevism is a work by Bertrand Russell dealing with the situation in Russia within a few years after the revolution and essential aspects of Bolshevik theory The book is an excellent review of Communism in the early days of the Soviet Union Russell is adherent to the communist idea but points out some practical faults which will be proven accurate in following years leading to inevitable failure of the system This careful study provides a further insight to the movement in Russia and a better understanding of Bolshevism
