Early Childhood Environment Rating Scale-revised ECERS-R ,2004 [Early Childhood Education](#) Moncrieff Cochran, Rebecca S. New, 2007-01-30 Early childhood education has reached a level of unprecedented national and international focus Parents policy makers and politicians have opinions as well as new questions about what how when and where young children should learn Teachers and program administrators now find curriculum discussions linked to dramatic new understandings about children s early learning and brain development Early childhood education is also a major topic of concern internationally as social policy analysts point to its role in a nation s future economic outlook As a groundbreaking contribution to its field this four volume handbook discusses key historical and contemporary issues research theoretical perspectives national policies and practices

[Early Childhood Education and Care Quality in Europe and the USA](#) Konstantina Rentzou, Ruslan Slutsky, 2020-05-21 This book captures information about early childhood education and care ECEC policies and practices in different countries and aims to question the degree to which these countries have managed to meet the needs of children families and the ECEC workforce The book illustrates how different countries have adapted different strategies focusing on policy when it comes to quality ECEC The goal of the book is twofold First and foremost it aims to present key findings and challenges for improving ECEC as a whole Second it aims to highlight problems and

concerns which the field of ECEC faces with respect to delivering high quality care and education to all children As neither ECEC nor quality are universal concepts but are shaped by social cultural values as well as national economic and political contexts in which ECEC services are provided this cross country volume is extremely relevant for fully understanding issues in the field of ECEC This book was originally published as a special issue of Early Child Development and Care ECERS-E with Planning Notes Kathy Sylva,Iram Siraj,Brenda Taggart,2010-11-22 ECERS E is designed to be used with the Early Childhood Rating Scale Revised ECERS R an internationally recognized measure of quality in education and care written by Thelma Harms Richard M Clifford and Debby Cryer It not only complements the ECERS R but extends the scales to provide additional insights into important aspects of literacy mathematics science and environment as well as practices related to issues of diversity Given the current focus on emerging literacy and numeracy skills the ECERS E provides unique guidance on the kinds of environments that enhance learning in preschool settings The curriculum domains within the scales bear important relationships to children s age 3 5 cognitive and social behavioral developmental outcomes Using the ECERS E alongside the ECERS R gives users a more complete picture of what a high quality early childhood education program can look like It can be used by program directors teaching staff agency staff and in teacher training programs Convenient organization Literacy Items Print in the environment Book and literacy areas Adults reading with children Sounds in words Emergent writing mark making Talking and listening Mathematics Items Counting and application of counting Reading and representing simple numbers Activities Shape Activities Sorting matching and comparing Science and Environment Items Natural materials Areas featuring science science materials Activities Non living Activities Living processes Activities Food preparation Diversity Items Planning for individual learning needs Gender equality and awareness Race equality and awareness

Quality Assessment of Chinese Preschools Kejian Li,2024-02-29 This book presents the development of the Chinese Early Childhood Environment Rating Scale CECERS a culturally appropriate tool for assessing the quality of Chinese preschools It provides insights into the developmental profile and pedagogical characteristics of Chinese preschools which have been the main type of children s services in China over the past three decades The conceptual framework of CECERS is based on cultural contexts and refers to ECERS an international quality assessment tool for early childhood education ECE and combines the essential elements of ECE quality e g teacher child interactions with additional components tailored to the situation of Chinese preschools e g group educational activities A series of studies involving over 200 preschools and 500 classrooms were conducted to ensure the validity and reliability of the CECERS in different areas of China The content of CECERS has been continuously adapted according to the results of these verification studies The author also discusses issues related to improving the quality of Chinese preschools and proposes relevant policy recommendations The book will be an essential read to students and scholars of educational theory and Chinese studies It will also serve as an interesting reference for cross cultural scholars in the field of ECE research *Early Childhood Matters* Kathy Sylva,Edward
