Summary of Florence Scovel Shinn's The Magic Path of Intuition Everest Media, 2022-06-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The principles in this book are as relevant today as they were when they were written over half a century ago They apply to everyone not just spiritual seekers 2 The full and unedited version of Miss Shinn's work is reproduced in the first part of this book in a series of ten lessons I encourage the reader to read through this original version once through and soak up the message Then in the second part of this book I juxtapose my interpretation and modern day messages alongside the original text so that you have the advantage of reading the original text again along with a modern day perspective 3 Prayer is about preparation You must act as if you expect to receive what you ask for because that is how the subconscious mind will be impressed with expectancy Through following your intuition you often go for one thing and get another From the superconscious what you should know will be revealed to you 4 The Game of Life is a game of boomerangs Whatever you send out comes back Jesus said to do unto others

as you would be done by them You cannot hurt anyone without hurting yourself All of us are linked by a mysterious magnetic force
