

## The Example of Solus

Christians can also look to saints as examples of how to practice stewardship. Saint Francis of Assisi is the patron saint of animals.

He taught that Christians should respect all animals so they are part of God's creation.

He showed this by addressing animals as "brother" and "sister" and always treating animals kindly.

## A Gift from God

Christians see all of creation as a gift from God. But as humans, we're not just passive receivers of gifts. We have a special responsibility for the environment because only they do the right thing.

In this lesson, we will look at each of these ideas in more detail.

We believe that God created the world and everything in it.
