Electrical Drives

Principles • Planning • Applications • Solutions

The background of the cover is a blurred, high-speed photograph of industrial machinery, likely a factory floor. The image shows various mechanical components, metal frames, and what appears to be a conveyor system or a large rotating machine. The motion blur gives a sense of activity and speed. The color palette is dominated by blues, greys, and metallic tones, with some warmer colors like reds and yellows visible in the blurred background.
