16th European Conference on Innovation and Entrepreneurship Vol 2 Dr. Florinda Matos, Prof Maria de Fátima Ferreiro, Prof Álvaro Rosa, Prof Isabel Salavisa, 2021-09-16      World Yearbook of Education 2026 Katja Brøgger, Hannah Moscovitz, Susan L. Robertson, Jenny J. Lee, 2025-10-31 World Yearbook of Education 2026 discusses the shifting geopolitics of Higher Education directly engaging with an urgent call to theorize the academy as a site of power politics protest and possibility The volume brings together leading and new generations of thinkers from across the globe who draw on theoretical resources from sociology politics international relations geography gender studies cultural studies and post and decolonial studies Taken together the chapters show how these epistemic resources can help us understand the current state of affairs in higher education and beyond They reflect key dimensions of shifting geopolitics and their impact on higher education multipolar superpower rivalry autocratic populism decolonial justice and digital transformations By anchoring the study of higher education in prevailing geopolitical tensions the volume seeks to uncover the critical role of the university in contemporary global politics By exploring higher education as a central institution caught within competing visions of world order one rooted in international cooperation another asserting the nation state and yet another challenging the very notion of the university as territorially fixed the book offers a perspective on the university which is in line with pivotal global developments It is a must read book for anyone interested in the new geopolitics of higher education and the future of the university globally      **7th International Conference on Tourism Research** Prof Rishi Balkaran, Dr Chris Hattingh, 2024-03-18 These proceedings represent the work of contributors to the 7th International Conference on Tourism Research ICTR 2024 hosted by the Centre for Tourism Research in Africa at the Cape Town Hotel School Cape Peninsula University of Technology South Africa on 18 19 March 2024 The Conference Chair is Prof Rishi Balkaran and the Programme Chair is Dr Chris Hattingh both from Cape Peninsula University of Technology CPUT South Africa ICTR is a well established event on the academic research calendar and now in its 7th year the key aim remains the opportunity for participants to share ideas and meet the people who hold them The scope of papers will ensure an interesting two days The subjects covered illustrate the wide range of topics that fall into this important and ever growing area of research Today more than ever there is a need for research and scientific guidance as the tourist sector struggles to cope with the consequences of the Covid 19 pandemic inflation socio political turbulences climate change and disaster risk      **Greek Film Noir** Maria Chalkou, Nikitas Fessas, Anna Poupou, 2022-06-02 Offering the first comprehensive study of Greek film noir this book explores the reception and influence of U S and European film noir and neo noir in Greece and their effect on Greek filmmaking Employing theoretical frameworks from New Film History it offers a fresh look at underrated or neglected cultural products to provide insights into Greek modernity and reveal the affinities of established Greek auteurs with the film noir tradition Firmly establishing Greece on the film noir cinematic map it provides a panoramic overview of leading Greek auteurs from Nikos

Koundouros and Maria Plyta to Theo Angelopoulos and Nikos Nikolaidis whose work is innovatively viewed from an angle of film noir style and thematics [Air Transport and Regional Development Policies](#) Anne Graham, Nicole Adler, Hans-Martin Niemeier, Ofelia Betancor, António Pais Antunes, Volodymyr Bilotkach, Enrique J. Calderón, Gianmaria Martini, 2020-12-17 Air Transport and Regional Development Policies is one of three interconnected books related to a four year European Cooperation in Science and Technology COST Action established in 2015 The Action called Air Transport and Regional Development ATARD aimed to promote a better understanding of how the air transport related problems of core regions and remote regions should be addressed in order to enhance both economic competitiveness and social cohesion in Europe This book focuses on policy implications related to air transport and regional development It begins with chapters that generally discuss important policy issues related to air transport and regional development in relation to connectivity and accessibility dependency airport governance and regulation and air traffic control frameworks This is followed by a number of chapters that consider government subsidies and state aid The final chapters focus on other policy implications tourism development airport expansion passenger taxation and noise control Currently no other single source publication covers this topic area in such a comprehensive manner insofar as it considers so many policies and examples The book aims at becoming a major reference source on the topic drawing from experienced researchers in the field covering the diverse experience and knowledge of the members of the COST Action The book will appeal to academics practitioners and government bodies who have a particular interest in acquiring detailed comparative knowledge and understanding of the policy implications of air transport and regional development Along with the other two books Air Transport and Regional Development Methodologies and Air Transport and Regional Development Case Studies it fills a much needed gap in the literature **Cross-Functional Knowledge Management** S.M. Riad Shams, Demetris Vrontis, Yaakov Weber, Evangelos Tsoukatos, Alberto Ferraris, 2019-03-07 Diverse kinds of knowledge are vital for each organization that would successfully compete today in an international scenario The emergent relevance of knowledge and its management in an even more complex environment opens up the possibility to analyze investigate and deepen our understanding on different aspects related to several functional areas in business management Nowadays firms that create new knowledge and apply it effectively and efficiently will be successful at creating competitive advantages The choices of the firms in selecting and applying different knowledge process such as knowledge sourcing transferring and exploiting as well as knowledge tools may be crucial Thus the role of knowledge as the key source of potential advantage for organizations and indeed whole economies is still a hot debate in the international landscape This book develops insights for the management of knowledge in cross functional business areas to originate an innovative approach to the classical Knowledge Management KM field This book provides a fresh perspective on different knowledge related topics in an international landscape highlighting the key role of knowledge and its management in business activities Overall the primary aim of this book is to extend our understandings on how KM can be helpful in

several cross functional management areas such as strategic management finance HRM and innovation as well as in different business circumstances such as M A internationalization processes and risk management
