Keyword Optimization Aminao R. Huileng,2014-10-21 When you first set out on your journey to making money from the internet there is no doubt an awful lot of stuff going on and market noise that is likely to do a lot more to confuse than help you This is a result of the fact that there are hundreds of marketers out there each of whom has their own ideas about the best way of making money online and everyone of them is more than happy to announce to the world just how good their ideas or their system are Most commonly of course they are selling that information hence the clamor of marketers who are all trying to announce how outstanding their idea or product is just that little bit louder than the next man or woman can shout about theirs Get more helpful info here Keyword Research 2021: a Definitive Guide Brian Conwell,2020-07-20 Is getting a return on your investment of thousands of dollars per hour part of your plan You ve probably heard that the best place to hide a dead body is on the second page of Google It s an expensive joke by the world renowned SEO gurus but practically true In fact statistics have shown that less than 1% of internet users click results on the second page of Google In short If you rank on page two or beyond you re practically invisible That s why I have taken my time to create this comprehensive guide using practical examples and infographics to give an easy to understand overview of each topic Even if you re no techie expert by any stretch or a startup with no idea about SEO and needs to be spoon fed the information or you wish to save yourself some thousands of dollars hiring professionals then this is the book for you The wealth of ideas and

solutions here include what I also learned from fellow insanely SEO experts like Neil Patel Seth Godin and Brian Dean to enable you to manage that business with finesse What Can I Learn In This Book The killer and easiest way to conduct SEO keyword research How to find keywords How to choose the right keywords How to analyze keywords based on searcher intent How to use popular keyword research tools at no cost Advanced keyword research tips Also I m going to show you the best free tools out there their features and what makes them stand out With this even if you re a startup individual or an established company the free tool ideas will help you improve targeting and review and improve the effectiveness of online campaigns at zero

SEO Keyword Research Made Simple for Dummies In 2021 Rand Welsh,2021-02-12 Google s research shows that 1 out of every 5 of the 16 billion Google searches a day is in regards to a local business How many of those are looking for your services Another good news 81% of users aged 16 64 relied on search engines to find products or services to buy online reported July 2020 The heart breaker Over 75% of users don t go past the first page of search results This means that if your company s website is not on the first page of Google Bing or Yahoo for a search for your product or service you are either losing a lot of business or your business is going to fail It s not a curse but a fact Today my site generates 349 620 visitors every month and a whopping 317 002 of those visitors 72% come from Google Obviously there are a lot of factors that contributed to my site s success and I have graciously listed and explained them in this book to help you do the same Some of these factors include Content Search Intents Technical SEO Traffic analysis Competitor analysis Free keyword ideas Off Page and On Page analysis Keyword research is market research for the 21st century They are like a compass for our SEO campaigns they tell you where to go and whether or not you re making progress That said research has shown that 82% of new customers research a business online before making a purchase decision And I want to ask Do you even know where your business is in the Google rankings at all I have given you tools to boost your online business Whether you use them or not is left to you SEO has come to stay and those who knew earlier are raking in the dough chilling at the beach in the Bahamas and getting a tan with some soothing drinks A study has proven that SEO has the highest ROI of any form of marketing Which should be a rebuttal to every marketer out there So if you want to guarantee your ROI and start profiting off of your business you absolutely must become an SEO expert And to become an SEO expert you first need a good foundation in keyword research This book covers everything you need as a newbie marketer to start gaining relevance in no time
