**Hungry** Eve Turow-Paul,2020-06-09 Hungry is an excellent text about people s methods of adapting to modern life it encompasses psychology generational identities and marketing in its considerations of contemporary society Foreword Reviews We wait in lines around the block for scoops of cookie dough We photograph every meal We visit selfie performance spaces and leave lucrative jobs to become farmers and craft brewers Why What are we really hungry for In Hungry Eve Turow Paul provides a guided tour through the stranger corners of today s global food and lifestyle culture How are 21st century innovations and pressures are redefining people s needs and desires How does foodie culture along with other lifestyle trends provide an answer to our rising rates of stress loneliness anxiety and depression Weaving together evolutionary psychology and sociology with captivating investigative reporting from around the world Turow Paul reveals the modern hungers physical spiritual and emotional that are driving today s top trends The connection between the death of the cereal industry and access to work email on our smartphones How posting images of our dinners on social media both fulfills and feeds our hunger for human connection in an increasingly isolated world The ways diet tribes and boutique fitness gyms substitute for organized religion How access to round the clock news relates to the blowback against GMO foods Wellness retreats astrology plant parenthood and other methods of easing modern anxiety Why eating local might be the key to solving not just climate change but our current global sense of disconnection From gluten free and Paleo diets to meal kit subscriptions and from mukbang broadcast jockeys to craft beer Hungry deepens our understanding of why we do what we do and helps us find greater purpose and joy in today s technology altered world

**Black Dogs and Blue Words** Kimberly Emmons,2010 Analyzes the rhetoric surrounding depression Maintains that the techniques and language of depression

marketing strategies vague words such as worry irritability and loss of interest target women and young girls and encourage self diagnosis and self medication Further depression narratives and other texts encode a series of gendered messages about health and illness As depression and other forms of mental illness move from the medical professional sphere into that of the consumer public the boundary at which distress becomes disease grows ever more encompassing the need for remediation and treatment increasingly warranted From publisher description The Ultimate Guide to Raising Teens and Tweens Douglas Haddad,2017-02-16 Are you concerned or frustrated with the choices your child makes when it comes to their peer groups study habits and use of social media Do you feel your child is pushing you away and your connection is weakening Are you unsure of the next steps you should take to help your child succeed A whole new set of parenting concerns arise during tween and teenhood that can be overwhelming for any parent The Ultimate Guide to Raising Teens and Tweens offers a step by step plan for raising your adolescent through this tumultuous time Douglas Haddad provides specific proven tools for you to help your child become a problem solver and grow to be smart successful and self disciplined In The Ultimate Guide to Raising Teens and Tweens you will Discover the secrets of effective communication with your child Learn the techniques to stop behavior problems right in their tracks when they happen Know the strategies to best motivate your child and unlock their potential Find out how to set appropriate limits and hold your child accountable for their actions Understand today s child limiting challenges and the solutions for handling them with your child Every parent wants the best for their child and these years can be fraught with challenges bullying violence gambling sex smoking alcohol substance use eating disorders depression suicide unhealthy eating lack of physical activity etc Making sense of these challenges this book offers exercises for incorporating the ten child unlimited tools into your parenting style and anecdotes to illustrate strategies and techniques Supported by current research the tools found in these pages will serve as a guide for any family with tweens or teens

**Reproductive Boundaries** Edmée Ballif,2026-03-10 Through an ethnography of psychosocial prenatal care in Switzerland Reproductive Boundaries explores the expanding reach of reproductive care into various aspects of people s lives This fine grained analysis of reproductive talk between pregnancy advisors and their pregnant clients reveals the limits and possibilities of care in a fragmented and hierarchical society **Cutting and Self-Harm** Heather Barnett Veague,Christine Collins,2009 Explores the nature of self injury its causes effects and possible treatments **Symposium** ,2010 Prozac Nation ,2000 *Health Affairs* ,2004 **More, Now, Again** Elizabeth Wurtzel,2003-01-07 This is the brutally honest account of Wurtzel s descent into drug addiction and how she managed to break free from Ritalin to love life and herself **Dialogue** ,2007 A journal of Mormon thought BNA Pension & Benefits Reporter ,2001-07 The Sociology of American Drug Use Charles E. Faupel,Gregory Weaver,2004 Unlike most texts about drug use which are written either from a counseling psychology or physiology pharmacology point of view The Sociology of American Drug Use mainstreams the coverage for sociology and criminology programs and at the same time provides a broader sociological

perspective on drug use Much of this material comes from Charles Faupel s own research experience among street heroin addicts on the East coast several chapters offer an ethnographer s perspective on the specific issues addressed while at the same time maintaining a focus on the basics of this substantive field **New Zealand Journal of Psychology** ,2007
