**Nigerian Pentecostalism and Development** Richard Burgess,2020-04-06 This book examines the contributions both intentional and unintentional of Nigerian Pentecostal churches and NGOs to development studying their development practices broadly in relation to the intersecting spheres of politics economics health education human rights and peacebuilding In sub Saharan Africa Pentecostalism is fast becoming the dominant expression of Christianity but while the growth and civic engagement of these churches has been well documented their role in development has received less attention The Nigerian Pentecostal landscape is one of the most vibrant in Africa Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society often in fierce competition with Islam for dominance in Nigerian public space Some scholars suggest that the combination of an enchanted worldview an emphasis on miracles and prosperity teaching and a preoccupation with evangelism discourages effective political engagement and militates against development However Nigerian Pentecostalism and Development argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices This book goes on to explore the increasingly transnational approach that churches take often seeking to build multicultural congregations around the globe for instance in Britain and the United States Nigerian Pentecostalism and Development Spirit Power and Transformation will be of considerable interest to scholars and students concerned with the intersection between religion and development and to development practitioners and policy makers working in the region

training people specially until the LORD again expanded the assignment to putting the messages into a booklet as you now have in your hand His instruction came like this That it is not possible for all those that desire this training to come to our fellowship to be taught and so there should be a compilation of the messages into booklet in order to be added to other end time books for clearer understanding on admission and progress in Holy Ghost School So we commend the messages to you with hope that this new move of God s new wine Ark of Safety will really thrill you and protect you from the future spiritual and physical tsunami that shall be in no distant time in Jesus Holy Name Ephesians 3 6 was God s message given to me at covenant time as a sign of my commission to discipleship training program Study and be blessed Please note that before these messages were delivered the fellowship was trained by the LORD to sing beautiful hymns to praise and exalt His Holy Name which now we also advise you Anna A Ahamefula Bishop Christian Discipleship Manual Jenny Sharkey,2014-08-11 This easy to use fast moving discipleship manual covers the basics of Christianity for those who are new to the Christian faith and for those wanting to re establish their understanding of their faith The manual is designed to be used by a discipleship group facilitator or a one on one discipling mentor Guidelines for its use are clearly laid out meaning you can pick this up and use it without having to do any laborious preparations You can read directly from the manual and there are discussion topics and activities included Your group participants can purchase their own Participants Manual so they can follow along with what your are teaching and take their own notes Participants leave with relevant action steps to think about This is a simple to use simple to understand look at what the Bible says about Christianity and how that knowledge impacts upon our lives If you are looking for clear straight forward material on the following topics this manual is sure to help The nature of God The Trinity Sin and salvation The life and death of Jesus The pouring out of the Holy Spirit The invitation of the Father into his family The trustworthiness of the Bible Getting over our past Moving into a faith filled future God s gifts and our service Evangelism worship and hearing God s voice Endorsements Jenny is at the tip of the spear in what God is unfolding in the world today This book is not just written for those that are in our midst but those that are about to come to Christ in the millions worldwide We are on the outer edges of a worldwide revival Simple handbooks for emerging students will yield profound servants of our Lord Jesus Christ Every book printed will represent not only a soul but a disciple of the Lord This has the potential of being a spiritual primer for generations to come Steve Witt Senior Leader Bethel Cleveland USA The Christian Discipleship Book written by Jenny Sharkey is so simple yet so clear and so precise Jenny delivers unclouded truth absolutely needed for every believer Because we are now experiencing a fresh move of salvation on the earth unlike any other time in history I believe the timing of the book is God prompted for the millions of new believers who will be coming into the kingdom of God Ken Winton Director of Living Lighter Today USA I believe this book will bring clarity to those who are seeking and inspire practical steps in growing in maturity as a Christian From the topics of knowing God as a Father to Healing Serving and Sharing each chapter of this book will inspire you to greater heights in Him I pray you encounter Him in
