triumph while the other groaned under all the consequences of defeat The power had been completely placed in the hands of the Norman nobility by the event of the battle of Hastings and it had been used as our histories assure us with no moderate hand The whole race of Saxon princes and nobles had been extirpated or disinherited with few or no exceptions nor were the numbers great who possessed land in the country of their fathers even as proprietors of the second or of yet inferior classes The royal policy had long been to weaken by every means legal or illegal the strength of a part of the population which was justly considered as nourishing the most inveterate antipathy to their victor *Ivanhoe* Walter Scott, Sr.,2009-07-01 *Ivanhoe* brings alive 12th century England and its people *Ivanhoe* the disinherited knight his fair lady Rowena Richard the Lion Hearted and Robin Hood Through them the past of England comes alive a past of crusades chivalry and courtly love
