Master Tung Acupuncture:

The Best of Master Tung's Acupuncture Robert Chu, Ph.d.,2015-12-14 Although Master Tung s Acupuncture has been in the public domain since his untimely passing in 1975 very little information is available publicly on how to use the system in a practical and systematic way in English In this book I hope to guide my fellow colleagues into the intricacies of applying Master Tung Acupuncture in the clinic Since I am also a practicing acupuncturist and deal with pain women s health and internal medicine problems quite frequently I am sharing my clinical experience in this book and the secret of creating the protocols that I use daily with modification I also attempt to explain why I choose a particular protocol and the modification to it In this book I introduce what I consider the Best of Master Tung s Acupuncture There are many books on Master Tung s Acupuncture which introduce all of the 740 Tung family points but often these books may be too much for the beginner and do not let the beginner grasp useful concepts or how to use Master Tung s Acupuncture immediately and effectively Most acupuncturists simply add the Tung points to their already memorized TCM Acupuncture point prescriptions and as a result make a mess out of their acupuncture They do not have a simple and elegant rationale for using the system In my teaching of Master Tung s Acupuncture I always choose points that are painless easily accessible and have powerful immediate results

Master Tung Acupuncture Book: Acupuncture Book Calvin Chien,2019-08-29 For the first time Calvin has published his Clinical Acupuncture Case Study book in English for clinicians and acupuncture students 30 YEARS OF CLINICAL STUDIES This book is absolutely beautiful It s easy for the beginner to read understand and follow the PERFECT pictorial atlas of acupuncture points Not only has a description of each acu point but also has 3 different illustrations graphic overview of channels and a photograph showing the acupuncture needle in position I cannot say enough about this book Chien AcupunctureAs a 3rd generation acupuncturist Calvin Chien has a lifetime of knowledge he utilizes in his acupuncture clinic daily Chien s Acupuncture Clinic in Colorado Springs CO continues to treat a variety of health concerns using traditional Chinese Medicine techniques including acupuncture cupping and herbal treatments Calvin Chien diagnoses and treats his patients who suffer from numerous health concerns including chronic pain and the only practitioner and master in the fine art of Master Tung s Acupuncture in Colorado Provided patients with the highest level of care since opening his own practice in 1997 Master Tung s Points are fondly referred to as magic because in most cases these points deliver instant and lasting results Less needling and long lasting results are not only preferable but also more effective Since 2003 Calvin continues to teach at Master Tung s Acupuncture Association in TaiwanSpecial Instructor to Team USA Olympic medical staff Colorado Springs CO Team acupuncturist to MLB Los Angeles Dodgers Los Angeles CA Awards Acknowledgements Authored three different books Clinical Acupuncture Case Study that were published in Taiwan USA patent holder and inventor of the acupuncture device Bio Acueye Mechanic in 2000 **The Clinical Practice of Master Tung's Acupuncture** L Robert Chu Phd,2016-10-18 In this book I use a lot of standard acupuncture points along with Master Tung s acupuncture and emphasize

the use of channels and imaging for optimal clinical use If a practitioner can use this work they can have a turnkey approach in the clinic simply by implementing these acupuncture and herbal protocols The idea is for each disease I have installed cheat sheets for the practitioner to immediately refer to and try to insert needles and prescribe herbs for The fifth in the series of Master Tung s Acupuncture books the idea is for someone to start with the Master Tung s Primer The Best of Master Tung s Acupuncture Master Tung s Acupuncture for Pain and Master Tung s Acupuncture for Internal Medicine Disorders With this manual we will discuss the use of Master Tung s Acupuncture with herbals for even greater clinical success The book is composed of monographs on each disease best points to treat the problem and high percentage success herbal prescriptions to give the patient as homework Unique is that we only use a handful of both TCM and Master Tung points and a small amount of herbal formulas for a turnkey approach to a clinic This can be used as a roadmap for the new clinician improve clinical success for the intermediate practitioner or provide an alternative approach for the seasoned veteran

Robert Chu Phd,Robert Chu, Ph.d.,2015-12-08 Although Master Tung s Acupuncture has been in the public domain since his untimely passing in 1975 very little information is available publicly on how to use the system in a practical and systematic way in English In this book I hope to guide my fellow colleagues into the intricacies of applying Master Tung Acupuncture in the clinic Since I am also a practicing acupuncturist and deal with Internal Medicine problems quite frequently I wrote these based on the protocols that I use daily Each of these protocols has been personally used by me one time or another in the clinic Many of these are also the same protocols I used when I work daily in my private clinic Since I am a visual person and I like things in a simple manner I have placed the pictures of the points indicated for the various ailments together to make it as simple as possible for the practicing acupuncturist to use in his or her clinic I dislike overly drawn out discussions on theory but prefer that application be one s guide I also dislike secrecy so I hold back no alleged secrets from anyone who wants to learn the real art My goal is to help end suffering in the world and help English speaking acupuncturists improve their proficiency through the vehicle of Master Tung s Acupuncture

not exhaustive in theory details or intricacies but shows the power of the system to a TCM trained acupuncturist and immediately benefit by it When I first started working with Master Tung s Acupuncture in acupuncture school I read the available books of that time and wished there was a simple book to present the information Since the average acupuncturist already is familiar with over 400 points why scrap that and begin another system But in the way I wrote this Primer they can simply add to the information they have and then immediately apply this in the clinic There are many books on Master Tung s Acupuncture but often these books may be too much for the beginner and do not let the beginner grasp useful concepts or how to use Master Tung s Acupuncture But don t underestimate the power of the content of this book It will certainly transform your practice The idea of this book is to give you a simple and elegant rationale for using the system use the powerful 14 Channel acupuncture you are already familiar with and make use of the Master Tung system immediately

Top Tung Acupuncture Points Brad Whisnant,2021-03-08 All the points you need to master Tung acupuncture New easy to understand images and explanations of how the points work how to needle them and how to combine them with other points Clinical pearls about each point You don t need to know all the points to be proficient We have cut out the points that are not used often in modern clinics For the first time the TCM indications are included with each point Master Tung's Acupuncture for Internal Medicine Problems Robert Chu,2014 **Master Tung's Acupuncture for Neuromusculoskeletal Disorders** Robert Chu,2014 **Traditional Chinese Medicine in the United States** Emily S. Wu,2013-06-06 Traditional Chinese medicine TCM originated from the traditional medical system in the Chinese civilization with influences from the Daoist and Chinese folk traditions in bodily cultivation and longevity techniques In the past few decades TCM has become one of the leading alternative medical systems in the United States This book demonstrates the fluidity of a medical ideological system with a rich history of methodological development and internal theoretical conflicts continuing to transform in our postmodern world where people and ideas transcend geographic ethnic and linguistic limitations The unique historical trajectories and cultural dynamics of the American society are critical nutrients for the localization of TCM while the constant traffic of travelers and immigrants foster the globalizing tendency of TCM The practitioners in this book represent an incredible range of clinical applications personal styles theoretical rationalizations and business models What really unifies all these practitioners is not their specific practices but the goal of these practices The shared goal is to strive for health not just health in terms of the lack of illness but the ultimate health of achieving perfect balance in every aspect of the being of a person physically mentally spiritually and energetically **Advanced Tung Style Acupuncture Vol. 5** James H. Maher,Ching Chang Tung,2011-08-15 This series of books presents copious acupuncture prescriptions gathered from the English and Chinese language Tung Acupuncture literature in the translator s personal library More than 15 different sources were referenced several currently out of print He has compiled collated and translated all the prescriptions proffered by Wei Chieh Young Min Chuan Wang Palden Carson Robert Chu Esther Su Richard Tan

Miriam Lee and Susan Johnson and applied accompanying diagrams for each clinical entity to facilitate their application. Included are author specific point locations, needling instructions, contraindications, and when available, clinical comments, lifestyle modifications, etc. All direct clinical experiences with Master Tung's Acupuncture. Tung Style Acupuncture was brought to Taiwan from mainland China by Master Tung Ching Chang in 1949 when he left China with the Kuomintang KMT army under General Chiang Kai Shek. His acupuncture style was thus spared from the synthesis of the New Medicine engendered as a consequence of the 1958 dictum by P R C Chairman Mao Ze Dong to create a New Medicine, i.e. to unify the best parts of Western and Chinese medicine. Ergo, the Tung Style escaped the efforts to compel acupuncture to conform to the model espoused by the TCM herbalists who had been assigned to the task of inventing this New Medicine, forcing the proverbial square peg into a round hole. As a system, Tung Style Acupuncture does not necessitate the use of the diagnostic methods or terminology adopted by contemporary herbalist driven TCM acupuncture; this renders the Tung Style Acupuncture well suited for use by non TCM trained clinicians. Furthermore, the clinical results obtained using the Tung Style Acupuncture often far surpass those achieved through the use of TCM acupuncture, especially in the West. This is in part because Western patients seldom conform to an exact mold of a single TCM pattern.
