Sproul,2014 Dr R C Sproul argues everyone is a theologian Any time we think about a teaching of the Bible and strive to understand it we are engaging in theology Therefore it is important that we put the Bible s varied teachings together in a systematic fashion using proper time tested methods of interpretation so as to arrive at a theology that is founded on truth Dr Sproul demonstrating his trademark ability to make complex subjects easy to understand surveys the basic truths of the Christian faith reminding us once more of what God is like and of what He has done for His people in this world and the next from publisher description *Systematic Theology* Wayne A.
