Spencer, 2014-12-01 Fighting Scholars offers the first book length overview of the ethnographic study of martial arts and combat sports The book's main claim is that such activities represent privileged grounds to access different social dimensions such as emotion violence pain gender ethnicity and religion In order to explore these dimensions the concept of habitus is presented prominently as an epistemic remedy for the academic distant gaze of the effaced academic body The book's most innovative features are its empirical focus and theoretical orientation While ethnographic research is a widespread and popular approach within the social sciences combat sports and martial arts have yet to be sufficiently interrogated from an ethnographic standpoint The different contributions of this volume are aligned within the same project that began to crystallize in Lo c Wacquant's *Body and Soul* the construction of a carnal sociology that constitutes an exploration of the social world from the body **Journalism Series - University of Missouri** University of Missouri, 1919 *The Alumni Register of the University of Pennsylvania*, 1904 **The Temple University Catalogue** Temple University, 1920 **The University of Chicago Magazine**, 1919 **The Pocket University** Bliss Perry, 1924 **The American Educational Review**, 1910 *Foot Ball Rules as Recommended to the University Athletic Club by the Rules Committee*, 1902 *The University Journal*, 1918 *Phenomenological Approaches to Sport* Irena Martínková, Jim Parry, 2013-09-13 The study of sport is often thought of simply in terms of the sport sciences This book explains how a phenomenological approach is capable of revealing the nature and meanings of sport in ways that are beyond the reach of the sciences and how the very concepts required by sport science stand in need of philosophical explanation The book has a didactic intention seeking to present and discuss ideas and tools developed in the phenomenological tradition in order to illuminate issues in sport in such a way as to be understandable for those without any previous knowledge or background There are clear and straightforward accounts of the ideas of central thinkers such as Husserl Heidegger Merleau Ponty and Pato ka and applications of central ideas to the analysis of particular issues such as the nature of risk sports the feint in football the problem of the instant replay the role of the sport psychologist the idea of bodily perception and the concept of transhumanism in relation to

performance enhancement This book was originally published as a special issue of Sport Ethics and Philosophy *The University Library* John Huston Finley, 1926 The genesis of the University Library lies in a compilation of Little Masterpieces the first of which were published more than twenty five years ago The material included in these volumes was selected by able editors and writers whose experience was great and whose taste was excellent Out of the Little Masterpieces grew a course in liberal education which was known as the Pocket University and out of the Pocket University grew finally the University Library The publishers most gratefully acknowledge their debt to the editors who compiled the original volumes Bliss Perry Henry van Dyke Hardin Craig Thomas L Masson Asa Don Dickinson the late Hamilton W Mabie George Iles the late Dr Lyman Abbott and others Some of the most important material contained in the Pocket University is of course included in the University Library but the sequence has been entirely changed and the scope of the work greatly broadened Fully two thirds of the material is new and the literature of the world has been ransacked to find appropriate text to fit the basic educational needs of the modern public Publisher's note *University of California Chronicle*, 1914 *Ohio State University Monthly* Ohio State University.
