Stevenson,2010 This is the only general survey of British publishing as a history over the twentieth century It aims to look at
how publishing companies and their owners and staffs were organised and how their output responded to the wider social
economic and cultural trends of the period It concentrates on the key figures like William Heinemann Allen Lane Paul
Hamlyn and Robert Maxwell but also looks at less well known but often very significant figures whose contributions were
also vital The study reveals a fascinating and dynamic industry that was influential not only for literary history but also for
the history of education and general cultural history at home and abroad Its spread is broad and it considers not only fiction
and trade publishing but also scholarly academic scientific children s technical medical and professional publishing It reveals
a fascinating tale of creative genius individual endeavour personal idiosyncrasy occasional duplicity and bad behaviour and
far sighted vision that over the century made British book publishing the best in the world and still underlies its role today
