Once Upon A Country Palestinian Life Sari Nusseibeh:

Once Upon a Country Sari Nusseibeh, 2007 A Palestinian scholar and leader offers a look at the troubling recent history of his country and the Middle East from a Palestinian perspective sharing his rationale for promoting a two state solution to the problems affecting the region

The Business of Martyrdom Jeffrey W Lewis, 2012-04-15 The Business of Martyrdom is the only comprehensive history of suicide bombing from its origins in Imperial Russia to the present day It makes use of a framework from the history and philosophy of technology to explain the diffusion and evolution of suicide bombing over the past several decades It is primarily a work of synthesis meant to reach a broad audience and endeavors to integrate as much of the recent scholarly literature as possible including reconciling explanatory mechanisms that seem to be at odds with one another In addition this book is able to draw on very recent changes in suicide bombing in the years 2008 2010 that allow it to have a slightly different perspective than earlier studies For the first time the global number of suicide attacks has declined significantly for three years in a row This book therefore has the advantage of addressing the phenomenon of suicide bombing as a bounded phenomenon with limits to its growth and diffusion To this point the impression that suicide bombers are the smartest bombs yet created has been widespread but confined to the area of metaphor Drawing well established ideas from the history of technology The Business of Martyrdom argues that the metaphor should be taken literally Suicide bombing is a technology that has been invented and re invented at different times in different areas but always for the same purpose resolving a mismatch in military capabilities between antagonists by utilizing the available cultural and human resources Over the past several years analysts have produced a large number of monographs and articles examining suicide bombing The best contributions in this new and growing literature have shed considerable light on the complexity of suicide bombing in practice particularly regarding the structure of the organizations that deploy suicide bombers and the relationships between these organizations and the recruits whom they utilize in their attacks Nevertheless nagging inconsistencies and questions remain These inconsistencies can be explained by examining suicide bombing as a technological system that integrates human beings cultures and devices and directs them toward specific ends Such an analysis requires that neither the individual bombers nor their sponsoring organizations be the basic unit of discussion Instead the bombers must be understood as components within a much larger system that has been shaped by a host of social cultural and operational constraints throughout its existence Integrating insights from the historical analysis of other technological systems with the recent literature specifically devoted to suicide bombing therefore allows The Business of Martyrdom to develop a fuller understanding of suicide bombing as a unified yet diverse phenomenon

Students and Resistance in Palestine Ido Zerkovitz, 2014-12-17 Exploring the Palestinian Student Movement from an historical and sociological perspective this book demonstrates how Palestinian national identity has been built in the absence of national institutions whilst emphasizing the role of higher education as an agent of social change capable of crystallizing patterns of

national identity Focussing on the political and social activities of Palestinian students in two arenas the West Bank and Gaza Strip and the Palestinian diaspora Students Palestinian student magazines PLO documents Palestinian and Arabic news media and archival records to demonstrate how the Palestinian Student Movements became a major political player this book is of interest to scholars and students of Palestinian History Politics and the Arab Israeli Conflict *Crossing Mandelbaum Gate* Kai Bird,2011 Pulitzer Prize winner Kai Bird s vivid memoir of an American childhood spent in the midst of the Arab Israeli conflict in Jerusalem and Saudi Arabia *Divided City* Kai Bird,2010-07-08 *Crossing Mandelbaum Gate* is a vivid memoir of an American boy growing up in the midst of the Arab Israeli conflict three major wars and three decades of political upheavals in the Middle East Set in Jerusalem 1956 1958 Beirut 1970 Saudi Arabia 1962 1965 Amman and Cairo 1965 1967 Bird s book explains through a blend of memoir and history why the Western experience in the Middle East has been so turbulent Through Bird s Zelig like presence the reader experiences the Suez War of 1956 the June 1967 War and the Black September hijackings of 1970 that led to the Jordanian Civil War Bird s memoir shows how all of these momentous events led to the rise and tragic downfall of a secular Arab nationalist ethos only to be replaced by the rise of a fundamentalist politically reactionary Islamist movement The narrative history tells the stories of such illuminating figures as life long Jerusalem resident George Antonius author of *The Arab Awakening* and his charismatic wife Jordan s King Hussein and his CIA connections the businessman Salem bin Laden Osama s older brother and a family friend Saudi kings Faisal and Khalidl President Nasser of Egypt and Leila Khaled the striking young Palestinian radical who hijacked one of the Black September planes The son of a U S Foreign Service officer Kai Bird spent his formative years with the Arabs but he ended up marrying the only daughter of two Holocaust survivors This Shoah survival story becomes a part of Bird s own personal narrative and provides him with a deeper understanding of the historical relationship between the destruction of European Jewry and the Arab Israeli conflict This extraordinary memoir by a Pulitzer prize winning historian sheds new light on all the wars of the Middle East fought in the name of identity *Public Library Core Collection* John Greenfieldt,Patrice Bartell,2008 Wilson s Public Library Core Collection Nonfiction 13th Edition 2008 recommends reference and nonfiction books for the general adult audience It is a guide to over 9 000 books over 6 500 titles are new to this edition plus review sources and other professional aids for librarians and media specialists Acquisitions librarians reference librarians and cataloguers can all use this reliable guide to building and maintaining a well rounded collection of the most highly recommended reference and nonfiction books for adults All titles are selected by librarians editors advisors and nominators all of them experts in public library services The collection is a valuable tool for collection development and maintenance reader s advisory weeding your collection and curriculum support Richly enhanced records provide a wealth of useful information All entries include complete bibliographic data as well as price subject headings annotations grade level Dewey classification cover art and quotations from reviews Many entries also list awards best book lists and starred reviews Save

Israel and Palestine Bernard Wasserstein, 2008 In spite of the current diplomatic impasse Tony Blair's efforts and continuing bloodshed Professor Wasserstein offers a realistic and persuasive basis for optimism in this startlingly original overview of the relations between Jews and Arabs in Palestine and Israel over the last century In this new edition of the classic work on the historical and contemporary realities of the Israeli Palestinian conflict Bernard Wasserstein challenges

the conventional view of the struggle as driven primarily by irrational nationalist and religious ideologies. Instead he focuses on hitherto relatively neglected dimensions: population, land, labour, and the social dynamics of political change. He maintains that Israelis and Palestinians live today in Siamese twin societies. However, much they may wish to, neither side can escape the impinging presence and influence of the other. He argues that demographic, economic, and social imperatives are driving the two sides willy nilly towards some form of symbiosis and accommodation. *No Going Back* Stephen David Smith, Carol Rittner, 2009 Journal of Palestine Studies, 2007 A quarterly on Palestinian affairs and the Arab-Israeli conflict.

Negotiating Arab-Israeli Peace, Second Edition Laura Zittrain Eisenberg, Neil Caplan, 2010-07-14 The current Arab-Israeli peace process and its historical context. *Cultural Heritage Beyond the "state"* Chiara De Cesari, 2008 Historical Dictionary of Israel Bernard Reich, David H. Goldberg, 2008-04-25 Since its creation the State of Israel has been a magnet for attention. A country beset by conflict in its region and faced with the need to integrate immigrants of disparate backgrounds into a modern and advanced state, Israel has preoccupied observers, scholars, and journalists since its independence in 1948. Israel and its politics have been the subject of substantial and often highly partisan literature, being hotly and vigorously debated both at home and abroad. The second edition of the Historical Dictionary of Israel addresses the need in the literature on Israel for a comprehensive, impartial information source about the various diplomatic and political personalities, institutions, organizations, events, concepts, and documents that together define the political life of the Jewish state. This is done through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on significant persons, places, events, government institutions, political parties, and battles, as well as entries on Israel's economy, society, and culture.
