EBK: Services Marketing: Integrating Customer Service Across the Firm 4e Alan Wilson, Valarie Zeithaml, Mary Jo Bitner, Dwayne Gremler, 2020-10-07 Successful businesses recognize that the development of strong customer relationships through quality service and services as well as implementing service strategies for competitive advantage are key to their success. In its fourth European edition, *Services Marketing: Integrating Customer Focus across the Firm* provides full coverage of the foundations of services marketing, placing the distinctive Gaps model at the center of this approach. The new edition draws on the most recent research and uses up-to-date and topical examples; the book focuses on the development of customer relationships through service, outlining the core concepts and theories in services marketing today. New and updated material in this new edition includes new content related to human resource strategies, including coverage of the role of robots and chatbots for delivering customer-focused services. New coverage on listening to customers through research, big data, netnography, and monitoring user-generated content. Increased technology, social media, and digital coverage throughout the text, including the delivery of services using mobile and digital platforms as well as through the Internet of Things. Brand new examples and case studies added from global and innovative companies, including Turkish Airlines, Volvo EasyJet, and McDonald's. Available with McGraw-Hill's Connect, the well-established online learning platform which features our award-winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency.

Marketing for Tourism, Hospitality & Events Simon Hudson, Louise Hudson, 2023-12-04 This cutting-edge and engaging student textbook, now in a second edition, provides essential coverage of marketing principles for Tourism, Hospitality, and Events, with a strong focus on the increasing global and digital aspects of these industries. The text has been updated to include all the latest industry developments, practice, and research, including the lasting impacts of COVID-19 on consumer behaviour and, in turn, the tourism, hospitality, and events industries, as well as the accelerated role of digitalization and use of new technologies such as artificial intelligence and the metaverse, both of which are changing how people conceive of travel and experiences, whilst blurring the boundaries between what is real and virtual. Popular chapter features such as Lessons from a Marketing Guru, featuring personal insights from real-world practitioners, and Digital Spotlights, which highlight the ways in which technology has transformed tourism, hospitality, and events, and Marketing in Action, case studies, continue to help bring the text to life through fun and relevant examples from a wide variety of organizations and regions across the globe. This textbook is essential reading for any university or college course looking at marketing in relation to tourism, hospitality, and events. Simon Hudson is a tourism and hospitality professor at the University of South Carolina. Louise Hudson is a freelance travel journalist writing for a host of newspaper travel sections, online tourism sites, and her own blog.
