Spirit Conjuring for Witches Frater Barrabbas, 2017-02-08

The greatest Witches of folklore practiced their craft by conjuring spirits and employing a familiar spirit. Now, centuries later, these arts, supposedly the domain of ceremonial magicians, only can be perfected by modern Witches. In this groundbreaking book, Witch and ritual magician Frater Barrabbas shares a system of Witchcraft-based magic developed for safely performing invocations and evocations, handling fallen spirits, and Goetic demons, traveling in the spirit world, creating a spirit pact, and constructing your own rituals for spirit conjuring. To help you get to know the full breadth of the spirit world, Spirit Conjuring for Witches includes a unique list of spirits, as well as techniques for working with sigils and recommendations for classical grimoires. Exploring history, folktales, and personal experiences, this book shows how to magically develop relationships with spirits and ultimately master both the spirit and material worlds. Praise: A clear and distinct body of tools and rituals for working with a broad range of spirits. If you are a witch looking for a more formal approach to this field, this may be the book for you.

Ivo Dominguez Jr., author of Spirit Speaks and Practical Astrology for Witches and Pagans, Frater Barrabbas has made a valuable contribution to the practice of modern witchcraft. This is a very thorough and carefully developed invitation to revive the practice of magical evocation that historically played so central a role in witchcraft and magic.

Jim Baker, author of The Cunning Man's Handbook, Frater Barrabbas shows how modern Witches can also reclaim their ability to conjure spirits in the age-old tradition of evoking beings of the Otherworld to attain knowledge or obtain practical results in this world. With the current revival in the publication, study, and use of the classical grimoires, witches who are drawn to the practice of the magickal evocation of spirits now have a detailed guide to the inner preparations and outer practices necessary to evoke spirits safely and correctly.

Jonathan Nightshade, Gardnerian HP, Traditional Crafter and Sorcerer: I wish that there had been a book like Spirit Conjuring for Witches back when it would have saved me any number of missteps along the way. With more than forty years of experience under his cincture, Frater Barrabbas speaks with a voice of wisdom, clarity, and authority, truly one of the Thirteen Human Treasures of Paganistan.

Steven Posch, Traditional Witch and Host of Radio Paganistan: As Witches, we all work with Deity and various spirits, but can you honestly say you communicate with them? This book is a valuable resource for every serious Witch's library. The author has outlined how to truly connect with that spirit realm, which allows us to build a relationship with those we work with.
