Budget Guide for Beginners: How to Manage Your Money (Save Money Tips, How to Save Money, Budgeting for Beginners, How to Manage Money, How to Bud Matthew Roy,2019-02

How To Manage Your Money Money the want for money and money related issues are universal Trying to develop a budget that suits one s individual needs and is workable enough to actually stick to is a very common problem All of us at some point in our lives face money related issues Sometimes it is not enough to fulfill our financial goals At other times we don t know how to save ourselves from going bankrupt Having a smoothly working budget is the best answer to all money related issues My husband and I just went through a really tough financial patch With a new baby and all related expenses we were really living hand to mouth Rather than adding money to our savings we were spending our savings quickly We were very close to having a zero balance in our savings account when we realized that it was time for a lifestyle change which is really what most budgets require We had to make several different major steps to get on a budget We never realized what difference not picking up that party pack of chips from the store aisle could make No one ever does until they try it Shifting to a low rent apartment letting go of our Toyota Camry and resorting to public transport quitting trips to fast food outlets leaving the six pack of beer back at the store counter choosing a cheaper diaper brand and shopping for our clothes at the wholesale store are some of the many changes that we had to make We also developed a habit to note each and every expense down to the last penny I downloaded budgeting software and logged each and every detail of income and expense into it We started doing things for fun that didn t require money For date night we would go for a walk around the park By the way we didn t hire a babysitter my husband s mom took the baby for a few hours Long story short within a few months we were finally able to actually see

our savings reading a comfortable figure We plan to go on until we are completely free of financial anxiety That is we want to save enough so that we can have mental and financial freedom to do things that we want and to fulfill our long term financial goals Then savings can take care of the bills While I was planning our budget I did a lot of research This book is based on that research and some personal experiences that I gained while going through the process The first chapter is purely theoretical Chapter 2 contains several budgeting methods and psychological tactics that can help you stay on the budget Chapter 3 contains a practical step wise plan that you can follow to develop your personalized budget I can assure you that if you follow the methods and techniques that I have provided in this book you will be able to save yourself from a financial disaster and you will be able to have a savings account statement that you are proud of For more information click on the BUY BUTTON
