Of Mice and Men by John Steinbeck John Steinbeck, 1869-03 Two migrant field workers in California on their plantation during the Great Depression George Milton an intelligent but uneducated man and Lennie Small a bulky strong man but mentally disabled are in Soledad on their way to another part of California They hope to one day attain the dream of settling down on their own piece of land Lennie s part of the dream is merely to tend and pet rabbits on the farm as he loves touching soft animals although he always accidentally kills them This dream is one of Lennie s favorite stories which George constantly retells They had fled from Weed after Lennie grabbed a young woman s skirt and would not let go leading to an accusation of rape It soon becomes clear that the two are close and George is Lennie s protector despite his antics After being hired at a farm the pair are confronted by Curley the Boss s small aggressive son with a Napoleon complex who dislikes larger men Curley starts to target Lennie Curley s flirtatious and provocative underaged wife to whom Lennie is instantly attracted poses a problem as well In contrast the pair also meets Candy an elderly ranch handyman with one hand and a loyal dog and Slim an intelligent and gentle jerkline skinner whose dog has recently had a litter of puppies Slim gives a puppy to Lennie and Candy whose loyal accomplished sheep dog was put down by fellow ranch hand Carlson In spite of problems their dream leaps towards reality when Candy offers to pitch in 350 with George and Lennie so that they can buy a farm at the end of the month in return for permission to live with them The trio are ecstatic but their joy is overshadowed when Curley attacks Lennie who defends himself by easily crushing Curley s fist while urged on by George Nevertheless George feels more relaxed to the extent that he even leaves Lennie behind on the ranch while he goes into town with the other ranch hands Lennie wanders into the stable and chats with Crooks the bitter yet educated stable buck who is isolated from the other workers due to being black Candy finds them and they discuss their plans for the farm with Crooks who cannot resist asking them if he can hoe a garden patch on the farm albeit scorning its possibility Curley s wife makes another appearance and flirts with the men especially Lennie However her spiteful side is shown when she belittles them and threatens to have Crooks lynched The next day Lennie accidentally kills his puppy while stroking it Curley s wife enters the barn and tries to speak to Lennie admitting that she is lonely and how her dreams of becoming a movie star are crushed revealing her personality After finding out about Lennie s habit she offers to let him stroke her hair but panics and begins to scream when she feels his strength Lennie becomes frightened and unintentionally breaks her neck thereafter and runs away When the other ranch hands find the corpse they form into a lynch mob intent on killing him then send for the police before beginning the search George then quickly realizes that their dream is at an end

and hurries to find Lennie hoping he will be at the meeting place they designated in case he got into trouble the riverbank where they camped at the start of the book George meets Lennie at their camping spot before they came to the ranch The two sit together and George retells the beloved story of the dream despite knowing it is something they will never share Upon hearing the lynch mob near them George shoots Lennie knowing it to be a more merciful death than that at the hands of a mob Curley Slim and Carlson arrive seconds after Only Slim realizes what happened and consolingly leads him away Curley and Carlson look on unable to comprehend the subdued mood of the two men
