*The Terror* Jerry Ahern, 1987      **Extrapolation** ,1987      **The Killer Con** J.R. Roberts, ONE CRAZY COW TOWN Clint Adams has passed through some wild cow towns in his life but none more unusual than Chester Utah The welcome wagon consists of a dead body no one is willing to bury On the most wanted list is a retired miner who got off a lucky shot and the sheriff is more interested in breaking the law than upholding it At the center of it all is snake oil salesman Henry Whiteoak Seems the con man swindled some very valuable property away from some very dangerous people Now everyone wants a piece of the action from the sheriff and his cronies and a gun loving vixen to a gang of businessmen who bargain with lead And it s up to the Gunsmith to teach them all why greed is one of the seven deadly sins      **PREPPERS: HISTORY AND THE CULTURAL PHENOMENON** Lynda King, 2014-08-07 The word prepper seems to have burst onto the scene within the last 10 years and has increasingly become associated with fringe extremists They have been labeled by some as domestic terrorists But is prepping a new phenomenon Or is it a manifestation of a growing collective psyche that has learned from traumatic events throughout our history that preparedness is critical to human survival For new preppers who think the worst is yet to come this book offers a walk through history that shows the worst has been here before For those who wonder why so many people are concerned about being prepared this book will show that when the worst has made an appearance those who weathered it best were those who were prepared For those already familiar with history s worst who think THAT will never happen again this book offers a reminder of the Wall Street adage Past performance is no guarantee of future results For those who wonder what a prepper is this book offers a look at what they used to be and what they are today

*The Ordeal* Jerry Ahern,      [Camp Zero](#) Sean Ellis,      [The Challenge](#) Jerry Ahern,      [Blood Moon](#) Jerry Ahern, The history of the world has been changed by evil more often than by good Evil does not always come straight at you evil is a coward that insinuates itself around the truth around courage and even around reality That is why we call it evil John Thomas Rourke and his family and friends have dealt with evil before But this time it is strangely different Not long ago Atlantis and UFOs and Aliens were legends Now the legends are not only real but interlinked inexorably and forever tied to each other A history we never knew is now a reality we will never forget One tinged by evil This time courage alone nor hot lead alone nor

cold steel alone can fix the problem All of the threads of the recent past have now been pulled together but to what end Once again the world is about to change and nothing can stop it The question now is can John Thomas Rourke guide his family toward their own survival and into yet another new world
