

The Intuitionistic Fuzzy FlowSort Method for Multicriteria Group Decision Making

Remadi Daami Fedia, University of Sfax, Tunisia*
Frikha Moalla Hela, University of Sfax, Tunisia

ABSTRACT

The real-life problems are multidimensional in nature and may involve some ambiguity when it comes to decision making. It is, therefore, difficult to design the evaluation criteria precisely and determine the exact value of the attributes in the multicriteria analysis. The intuitionistic fuzzy set (IFS) achieved great success in treating this kind of ambiguity in a great deal of research. The study of sorting problems is an active research issue in the multiple criteria decision aid (MCDA) area. This paper investigated one of the sorting methods, FLOWSORT, and extended it to the multicriteria group decision making based on the output aggregation of the individual sorting results. The rating of each alternative was described through linguistic terms that can be expressed in triangular intuitionistic fuzzy numbers. An illustrative example as well as an empirical comparison with other multi-criteria decision-making methods were carried out to validate the extension.

KEYWORDS

FlowSort Method, Intuitionistic Fuzzy Set, Multicriteria Group Decision Making, Sorting Problematic

1. INTRODUCTION

Multi-criteria decision making (MCDM) is considered as an essential part of modern decision science and operational research. It is the process of finding the best compromise among the feasible alternatives. It provides a wide variety of methodologies and techniques that enable the systematic treatment of decision problems under multiple criteria. The MCDA methods can be applied to four different kinds of analyses that can be performed in order to provide significant support to decision-makers (Remadi and Frikha, 2019). These are: (1) the choice of the best alternative, (2) the ranking of the set of the alternatives from the best to the worst, (3) the description of the features of the alternatives and (4) the classification of the alternatives into predefined homogenous groups.

In this paper, we studied the ordinal classification problem, also called sorting problem. It consists to orienting the decision problem to an assignment of alternatives to one of the predefined, ordered and homogenous categories or classes. The class is a set of alternatives with similar properties or even values for the same properties, when compared to the alternatives of the other classes. Multiple methods have been proposed during the previous decades. Among these, we can mention the well-known sorting methods, the ELECTRE-TRI (Shen et al. 2016), the THESEUS (Fernandez and Avarro, 2011), etc. Relying on the PROMETHEE (Brans et al. 1984) methodology, several authors proposed

Neutrosophic Sets and Systems, Vol. 35, 2020 Florentin Smarandache, Mohamed Abdel-Basset, Neutrosophic Sets and Systems has been created for publications on advanced studies in neutrosophy neutrosophic set neutrosophic logic neutrosophic probability neutrosophic statistics that started in 1995 and their applications in any field such as the neutrosophic structures developed in algebra geometry topology etc Some articles in this issue Neutrosophic Soft Fixed Points Selection of Alternative under the Framework of Single Valued Neutrosophic Sets Application of Single Valued Trapezoidal Neutrosophic Numbers in Transportation Problem *Neutrosophic Sets and Systems, vol. 19/2018* Florentin Smarandache, Surapati Pramanik, Neutrosophic Sets and Systems has been created for publications on advanced studies in neutrosophy neutrosophic set neutrosophic logic neutrosophic probability neutrosophic statistics that started in 1995 and their applications in any field such as the neutrosophic structures developed in algebra geometry topology etc

Neutrosophic Sets and Systems Florentin Smarandache, Surapati Pramanik, Neutrosophic Sets and Systems has been created for publications on advanced studies in neutrosophy neutrosophic set neutrosophic logic neutrosophic probability neutrosophic statistics that started in 1995 and their applications in any field such as the neutrosophic structures developed

in algebra geometry topology etc **Neutrosophic Sets and Systems: An International Book Series in Information Science and Engineering, vol. 19 / 2018** Florentin Smarandache, Surapati Pramanik, 2018 Neutrosophic Sets and Systems has been created for publications on advanced studies in neutrosophy neutrosophic set neutrosophic logic neutrosophic probability neutrosophic statistics that started in 1995 and their applications in any field such as the neutrosophic structures developed in algebra geometry topology etc **Decision Making Theories and Methods Based on Interval-Valued Intuitionistic Fuzzy Sets** Shuping Wan, Jiuying Dong, 2020-02-03 This is the first book to provide a comprehensive and systematic introduction to the ranking methods for interval valued intuitionistic fuzzy sets multi criteria decision making methods with interval valued intuitionistic fuzzy sets and group decision making methods with interval valued intuitionistic fuzzy preference relations Including numerous application examples and illustrations with tables and figures and presenting the authors latest research developments it is a valuable resource for researchers and professionals in the fields of fuzzy mathematics operations research information science management science and decision analysis Journal of Zhejiang University ,2007 **Prosiding Seminar Bidang Kepakaran Jabatan Matematik, 2010** ,2011 Proceedings of a seminar on study and teaching of mathematics in Malaysia *The Journal of Fuzzy Mathematics* ,1998 *Mathematical Reviews* ,2004 **Real Life Applications of Multiple Criteria Decision Making Techniques in Fuzzy Domain** Laxminarayan Sahoo, Tapan Senapati, Ronald R. Yager, 2022-12-01 This edited book discusses creative and recent developments of fuzzy systems and its real life applications of multiple criteria decision making Keeping on the existing fuzzy sets and recent developed fuzzy sets viz intuitionistic fuzzy Pythagorean fuzzy Fermatean fuzzy Hesitant fuzzy and multiple criteria decision approaches this book is committed to probing the soft computing techniques and fuzzy multiple criteria decision making in favour of fuzzy intelligent system and business analytics It also addresses novel development of fuzzy set theory as well as real life applications of fuzzy systems It presents challenging and useful real world applications based on problems of decision making in various fields The modelling and solution procedures of such real world problems will be provided concisely although all topics start with a more developed resolution The contributory chapters will be based on the vast research experiences of the authors in real world decision making problems This book provides readers with a valuable conspectus of several decision making problems as a reference for researchers and industrial practitioners in this field This book will broadly cover recent development of fuzzy systems and its applications of multiple criteria decision making in the areas of management and production manufacturing management selections problems group decision making transportation and logistics inventory control systems and interval technique fuzzy technique uncertainty of the above mentioned areas Multiple Criteria Decision Making with Fuzzy Sets Babek Erdebili, Gerhard-Wilhelm Weber, 2022-06-28 Using numerical examples to illustrate their concepts and results this book examines recently developed fuzzy multi criteria methods such as Intuitionistic Fuzzy TOPSIS Intuitionistic Fuzzy TOPSIS DEA AHP Intuitionistic VIKOR Pythagorean WASPAS Pythagorean

ENTROPI Hesitant CBD Hesitant MABAC Triangular EDAS Triangular PROMETHEE q Rung Orthopair COPRAS and Fuzzy Type 2 ELECTRE Each chapter covers practical applications in addition to fresh developments and results Given its structure and scope the book can be used as a textbook in graduate courses on operations research and industrial engineering It also offers a valuable resource for scientists working in a range of disciplines that require multi criteria decision making

Mathematics in practice and theory ,2006 Multi Criteria Decision Making Via Intuitionistic Fuzzy Set

Pranjal Talukdar,2023-01-04 The characteristic function of a crisp set assigns a value either 1 or 0 to each object in a set and thereby distinguishesthe members and non members of crisp set under consideration The function can be generalized such that the values assigned to the elements of a set fall within a specific range from 0 to 1 and indicate the membership grade of these elements in the set in question Larger values denote higher degree of set membership Such function is called a membership function and the set defined by it is known as fuzzy set In short it can be opinedthat the crisp set and logic divide the world of yes or no true or false but nothing in between On the other hand fuzzy sets and logic deal with objects that are of degree with all possible grades between yes or no Thus fuzzy set represents the vague or ill defined not well defined concept like good very good poor intelligent large and medium large etc and hence it can be extensively applied in a wide range of area Zadeh developed this novel concept of fuzzy sets that created a new branch of Mathematics which is used tocharacterize the uncertainty A lot of significant developments have been made by the researchers in the last five decades and applied it in a large variety of fields It is observed that in fuzzy set theory FST the non membership function is the complement of the membership function But in many situations complement of membership function may not reflect the exact non membership grades of an element to a set Later Atanassov defined both the membership function and nonmembership function which also characterized some hesitation degree between them This newly defined set is called Intuitionistic fuzzy set IFS As IFS can represents the incomplete ill defined information in a more specific manner than FST therefore IFS become more popular among the researchers in uncertainty modeling problems Furthermore Atanassov and Gargov introduced the notion of Interval valued intuitionistic fuzzy sets IVIFSs extending the concept IFS in which the membership and non membership grades are represented by intervals Starting from our many daily life situations up to very complex system making decision is undoubtedly one of the most necessary activities of human being It is a logical judgment process to identifying and choosing the right alternatives based on the preferences and values of the decision maker with respect to its criteria In mathematical point of view there should be some methodology and algorithm through which one can make a logical and proper decision Recently decision making processes have become popular in industries in different managerial level of the concerned department of many organizations because of their global competitiveness making good planning and to survive successfully in respective marketplace Therefore decision making plays a vital role especially in purchase department for reducing material costs minimizing production time as well as improving the quality of product or

service **Simplified neutrosophic sets and their applications in multi-criteria group decision-making problems**

Juan-juan Peng, Jian-qiang Wang, Jing Wang, Hong-yu Zhang, Xiao-hong Chen, As a variation of fuzzy sets and intuitionistic fuzzy sets neutrosophic sets have been developed to represent uncertain imprecise incomplete and inconsistent information that exists in the real world Simplified neutrosophic sets SNSs have been proposed for the main purpose of addressing issues with a set of specific numbers However there are certain problems regarding the existing operations of SNSs as well as their aggregation operators and the comparison methods Therefore this paper defines the novel operations of simplified neutrosophic numbers SNNs and develops a comparison method based on the related research of intuitionistic fuzzy numbers On the basis of these operations and the comparison method some SNN aggregation operators are proposed Additionally an approach for multi criteria group decision making MCGDM problems is explored by applying these aggregation operators Finally an example to illustrate the applicability of the proposed method is provided and a comparison with some other methods is made

Fuzzy Multi-criteria Decision-Making Using Neutrosophic Sets Cengiz Kahraman, İrem Otay, 2018-11-03 This book offers a comprehensive guide to the use of neutrosophic sets in multiple criteria decision making problems It shows how neutrosophic sets which have been developed as an extension of fuzzy and paraconsistent logic can help in dealing with certain types of uncertainty that classical methods could not cope with The chapters written by well known researchers report on cutting edge methodologies they have been developing and testing on a variety of engineering problems The book is unique in its kind as it reports for the first time and in a comprehensive manner on the joint use of neutrosophic sets together with existing decision making methods to solve multi criteria decision making problems as well as other engineering problems that are complex hard to model and or include incomplete and vague data By providing new ideas suggestions and directions for the solution of complex problems in engineering and decision making it represents an excellent guide for researchers lecturers and postgraduate students pursuing research on neutrosophic decision making and more in general in the area of industrial and management engineering

Intuitionistic Fuzzy Multicriteria Group Decision Making Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Intuitionistic Fuzzy Multicriteria Group Decision Making**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Intuitionistic Fuzzy Multicriteria Group Decision Making Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Intuitionistic Fuzzy Multicriteria Group Decision Making free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Intuitionistic Fuzzy Multicriteria Group Decision Making free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading

Intuitionistic Fuzzy Multicriteria Group Decision Making free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Intuitionistic Fuzzy Multicriteria Group Decision Making. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Intuitionistic Fuzzy Multicriteria Group Decision Making any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Intuitionistic Fuzzy Multicriteria Group Decision Making Books

1. Where can I buy Intuitionistic Fuzzy Multicriteria Group Decision Making books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Intuitionistic Fuzzy Multicriteria Group Decision Making book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Intuitionistic Fuzzy Multicriteria Group Decision Making books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Intuitionistic Fuzzy Multicriteria Group Decision Making audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Intuitionistic Fuzzy Multicriteria Group Decision Making books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
