Vault Guide to Private Equity and Hedge Fund Interviews Alice Doo, 2009 The Vault Guide to Private Equity and Hedge Fund Interviews is a new title covering all levels in the private equity and hedge fund recruiting interview space including the junior pre MBA interviews which share the same checklists for the interviewing process Getting a position in hedge funds and private equity boils down to one question Will you make money for the firm The entire interview is devoted to determining that answer Not only that candidates needs to make it past the headhunters who pre judge them answer technical finance and accounting questions about a field that they may have zero experience with and even be tested on the spot by being asked to create an Excel model from scratch or presenting a case study

Private Equity 4.0 Benoît Leleux, Hans van Swaay, Esmeralda Megally, 2015-01-20 Private equity is more economically significant than ever as institutions hunt for high returns in a risky world Private Equity 4 0 examines the role workings and contribution of this important industry in a straightforward yet revealing manner Dr Josh Lerner Jacob H Schiff Professor of Investment Banking Chair Entrepreneurial Management Unit Harvard Business School A multi perspective look at private equity s inner workings Private Equity 4 0 provides an insider perspective on the private equity industry and analyzes the fundamental evolution of the private equity asset class over the past 30 years from alternative to mainstream The book provides insightful interviews of key industry figures and case studies of some of the success stories in the industry It also answers key questions related to strategy fund manager selection incentive mechanisms performance comparison red flags in prospectuses and more Private Equity 4 0 offers guidance for the many stakeholders that could benefit from a more complete understanding of this special area of finance Understand the industry s dominant business models Discover how value is created and performance measured Perform a deep dive into the ecosystem of professionals that make the industry hum including the different incentive systems that support the industry s players Elaborate a clear set of guidelines to invest in the industry and deliver better performance Written by a team of authors that combine academic and industry expertise to produce a well rounded perspective this book details the inner workings of private equity and gives readers the background they need to feel confident about committing to this asset class Coverage includes a historical perspective on the business models of the three major waves of private equity leading to today s 4 0 model a detailed analysis of the industry today as well as reflections on the future of private equity and prospective futures It also provides readers with the analytical and financial tools to analyze a fund s performance with clear explanations of the mechanisms organizations and individuals that make the system work The authors demystify private equity by providing a balanced but critical review of its contributions and shortcomings and moving beyond the simplistic journalistic descriptions Its ecosystem is complex and not recognizing that complexity leads to inappropriate judgments Because of its assumed opacity and some historical deviant and generally transient practices it has often been accused of evil intents making it an ideal scapegoat in times of economic crisis prodding leading politicians and

regulators to intervene and demand changes in practices Unfortunately such actors were often responding to public calls for action rather than a thorough understanding of the factors at play in this complex interdependent system doing often more harm than good in the process and depriving economies of one of their most dynamic and creative forces Self regulation has clearly shown its limits but righteous political interventions even more so Private equity investment can be a valuable addition to many portfolios but investors need a clear understanding of the forces at work before committing to this asset class With detailed explanations and expert insights Private Equity 4.0 is a comprehensive guide to the industry ways and means that enables the reader to capture its richness and sustainability

[Venita Fields](#) Derrick Collins,Ed Finkel,Scott T. Whitaker,2010 Ever since he had heard her speak at a private equity conference Babatunde Omotoba had wanted to work for Venita Fields co founder and senior managing director of private equity firm Smith Whiley Company He wrote and asked her for an informational interview and was excited to receive her invitation to meet with her at the firm s regional office in Evanston Illinois After the interview

however Omotoba came to the grim realization that despite all his preparations researching private equity firms studying the types of deals they make and evaluating the analytical tools used to perform due diligence on companies and make investment decisions he did not have a full grasp on the actual day to day work private equity professionals perform He spent time reviewing materials from the career management office about private equity and he meets two Kellogg alumni for informational interviews He also reviews the investment process The case ends with Omotoba having a broader perspective on the human aspect of private equity beyond the analytical and financial aspects as he anticipates meeting Fields again hopefully to get the job offer
