and because of fatigue or writer's block it's an easy task to postpone day after day. Blogging for Small Businesses is a great resource to address that problem. The author begins by telling a story that any small business owner can relate to. Then he continues by explaining in very simple steps exactly what a blog is and how to get started. Even someone who knows nothing at all about the Internet can follow the clear instructions and detailed explanations in this resource. If you market to small businesses or if you're a small business yourself and struggling to get online, then Blogging for Small Businesses is the resource you're looking for.
