**Building Your Own Capsule Wardrobe** Pat Sgambati, 2021-08-24. Capsule wardrobes are about personal style but they are also a more mindful and sustainable way to think about clothing. Fast fashion and our consumerist culture have tricked us into believing that we must own everything and the result is a stuffed closet full of clothes that we may never wear. While capsule collections originally produced an air of exclusivity and a designer's artistic expression, most of the individuals who have now become capsule wardrobe experts got into the game because they are tired of decision fatigue and also because they want to be more sustainable. Capsule wardrobes push us to think more about whether we truly need each piece in our closet. Buy less, wear more, and find high quality. That's the motto here. This guide will cover the most basic steps of creating a capsule wardrobe as well as the benefits of the idea. Items covered will include things that some may prefer to skip while others will spend a long time pondering how to best go about this, that or the other. The perfect capsule wardrobe will change from person to person and no one can tell you otherwise.

No two women use a dress for the same reason. No two men will buy the same pair of shoes for the same reason. One wardrobe may be overflowing with short dresses, tank tops, and short skirts, while another is stocked with jeans, tee shirts with band logos, and funky patterned blouses. With this idea of the complex wardrobe, the many different dresses, the multiple workout options, everything comes a conundrum portrayed on television as a wealthy teenage girl's nightmare: "I have too many clothes and nothing to wear." This guide will cover the most basic steps of creating a capsule wardrobe, as well as the benefits of the idea. Items covered will include things that some may prefer to skip, while others will spend a long time pondering how to best go about this, that, or the other. The perfect capsule wardrobe will change from person to person, and no one can tell you otherwise. *How to Create a Capsule Wardrobe* Paloma Injera, 2015-06-01. Are you tired of wasting time and feeling frustrated as you decide what to wear? In today's fast-paced style of living, less is truly more, and that includes your wardrobe. Although it may be hard to believe, just a few dozen well-chosen clothing items and accessories can keep a woman properly dressed for any occasion, that's exactly what a capsule wardrobe does. With your own capsule wardrobe system in place, you can finally say goodbye to hours spent choosing what top goes with what bottom, and which pair of shoes match best. Within the capsule wardrobe system, carefully chosen articles of clothing, footwear, and accessories can be easily mixed and matched to meet any need, from ordinary days spent at work to formal candle-lit dinners. Say goodbye to your old disorganized, dysfunctional wardrobe because with the help of this book, you're soon going to have a new, fully functional capsule wardrobe. But what to do with all the perfectly good clothing you still have now? This book has that covered, as well. Start reading now and get ready to have more time flaunting your new impeccable fashion instead of rummaging through your closet packed full of not quite right clothing.
