Thomas J. Mueller,2015-04-01 This book proposes a step by step blueprint for a better world There is a storm brewing on the
horizon A new world order is coming based on all the trends and global pressures that is facing mankind today The question
is who s world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man s vision and his
world ruling government that has only produced war or God s vision and Christ s world ruling government that is guaranteed
to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the
prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the
Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too

Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of
God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon
