Research Methods for Generalist Social Work Christine R. Marlow, 2023-02-28 Social work professionals must have a deep understanding of research methods to effectively serve their clients and communities In this comprehensive guide Christine Marlow emphasizes this link between research and practice She focuses on the relevance of research methods within agency work where most social work graduates will be employed rather than strictly an academic setting With a focus on generalist social work practice she offers a clear and concise overview of the research process including identifying research questions selecting appropriate research designs and analyzing data Using real world examples and case studies Marlow helps readers understand how research can be used to inform social work practice and drive positive change in communities With a strong emphasis on ethics and cultural competence this text prepares social work students and professionals to conduct research that is both effective and socially responsible Search Engine Optimization Kristopher B. Jones, 2010-07-15 A visual approach to the power of SEO marketing from a world renowned Internet marketing expert Search engine optimization SEO is an ever growing and powerful form of online marketing that allows business to grow in a faster more cost effective way by increasing traffic and visibility to a Web site This updated resource remains the only book of its kind to take a visual approach to the essential component of maximizing the effective marketing strategies that SEO provides Packed with more than 600 screen shots top Internet marketing expert Kristopher Jones explores search engine

marketing principles such as keyword generation on site optimization specifically regarding Web site structure internal linking URL structure and content creation and much more Presenting the only known book on the market that takes a visual approach to the powerful and growing form of SEO marketing Covers the increasing role of social media Web sites as well as the convergence that is occurring between paid and organic search engine marketing Offers you a strong foundation for developing successful SEO strategies Search Engine Optimization Your visual blueprint for effective Internet marketing Second Edition captures the immense potential of SEO and delivers it to you in a visually understandable way

**Literary Research and British Postmodernism** Bridgit McCafferty, Arianne Hartsell-Gundy, 2015-09-02 Literary Research and British Postmodernism is a guide for scholars that aims to connect the complex relationships between print and multimedia technological advancements and the influence of critical theory that converge in postwar British literature This era is unique in that strict boundaries between fiction nonfiction multimedia and print are not useful Postmodern literature is defined by the breaking down of boundaries as a reaction to modernism and requires an innovative multifaceted approach to research In this guide the authors explore these complex relationships and offer strategies for researching this new period of literature This book takes a holistic approach to postmodern literature that recognizes the way in which digital media film critical theory popular music and more traditional print sources are inextricably linked Through this approach the authors present a broad view of postmodernism that includes a wide variety of British authors writing in the last half of the twentieth century The book's definition of postmodern includes any British literature following World War II that engages issues central to postmodern theory including the social construction of gender sexuality and power the subjectivity of truth technology as a social force intertextuality metafiction post colonial narrative and fantasy This guide aims to aid researchers of postwar British literature by defining best practices for scholars conducting research in a period so broadly varied in the way it defines literature
