Augustine lived the theology that he wrote. He experienced the reality of Christ living in his own soul. Saint Augustine the celebrated theologian who served as Bishop of Hippo from A D 396 until his death in A D 430 is widely regarded as one of the most influential thinkers in the Western world. Written in the form of a long prayer addressed directly to God, Augustine's Confessions, the remarkable chronicle of his conversion to Christianity, endures as the greatest spiritual autobiography of all time. Augustine possessed a strong, capacious, argumentative mind. wrote Edward Gibbon. He boldly sounded the dark abyss of grace, predestination, free will, and original sin. And the eminent historian Jaroslav Pelikan remarked, "There has quite literally been no century of the sixteen centuries since the conversion of Augustine in which he has not been a major intellectual, spiritual, and cultural force."

**The Confessions of Jeremiah in Context** A.R. Pete Diamond, 1987-01-01. The Confessions of Jeremiah have generally been interpreted as isolated poems interspersed among prophetic oracles. This book endeavours to read the Confessions in their present literary context. Diamond argues persuasively that the more the Confessions are isolated from their setting in the book of Jeremiah, the more opaque and indeterminate readings of them become. When they are allowed to function in the context determined for them by the editors of Jeremiah, they promote the editorial valuation of the prophet's mission. Israel's opposition to Jeremiah becomes the ground for a theodicy explaining the national disaster. Restoring the Confessions to their context in the book finally enables the author to demonstrate that chapters 11-20 form an integrated literary complex.

**The Confessions of Saint Augustine** Saint Augustine (of Hippo), 1900. The confessions of s. Augustine, books 1-10. A revised tr Saint Augustine (of Hippo), 1886. The Confessions of St. Augustine St. Augustine, 2025-10-14. "For Thou hast made us for Thyself and our hearts are restless till they rest in Thee. As the son of a pagan father and a Christian mother, Saint Augustine spent his childhood torn between the two conflicting faiths and their opposing world views. When he was in his early forties, he wrote His Confessions, a remarkably honest and revealing spiritual autobiography. In it, he provides an unbroken record of his development of thought and recounts how slowly and painfully he turned away from his youthful ideas and sinful, immoral lifestyle to instead become a staunch advocate of Christianity and one of its most influential thinkers. It is the most complete record of any single person from the 4th and 5th centuries and widely seen as the first Western autobiography ever written. Written as prayers to God, confessing his faith despite past mistakes and recognizing the ways that God has transformed his heart, these spiritual meditations and insight make The Confessions of St. Augustine a significant theological work which will always rank among the great masterpieces of western literature."
