The Click Moment Seizing Opportunity In An Unpredictable World:

The Click Moment Frans Johansson,2012-10-04 In *The Click Moment* Frans Johansson author of *The Medici Effect* shows how to stay ahead when you can't predict the future Success is random But we can capture this randomness and turn it in our favour According to bestselling author Frans Johansson planning and careful analysis no longer guarantee success But dig deep into the actions of successful people and organizations and you find one common theme A turning point occurs and they take advantage of that click moment to change their fate Diane von Furstenberg saw a matching skirt and top on TV and the wrap dress was born Microsoft Windows was on the brink of being shut down until two people met at a party Starbucks sold brewing equipment until Howard Schultz experienced his first latte These people capitalized on their luck and altered the course of their lives *The Click Moment* shows how we can follow them by opening ourselves up to chance encounters and harnessing the forces of success that follow

The Art of Being Free James Poulos,2017-01-17 Most folks probably don't learn about Alexis de Tocqueville in school anymore but his seminal work *Democracy in America* is still surprisingly resonant When he came to America in 1831 to study our great political experiment he reported that the main issues were religion money sex death love gender inequality work and politics Clearly we haven't come as far as one might hope But it wasn't all doom and gloom De Tocqueville not only cataloged our problems he also provided a manual on how to solve them In *The Art of Being Free* journalist and scholar James Poulos parses de Tocqueville's advice for a modern audience showing us how to live a sane healthy and happy life regardless of the hectic world around us Poulos dives into the original beloved text to see what Tocqueville would say about our relationship to technology our methods for coping with stress our obsession with appearances our workaholicism and our physical indolence He explores how our uniquely American malaise might be alleviated not by the next wellness or self help craze but by the kind of inner inventory taking that has fallen out of fashion Like Sarah Bakewell's *How to Live* or Alain de Botton's *How Proust Can Change Your Life* *The Art of Being Free* offers a vital new twist on a collection of timeless wisdom for Americans of all ages

Adaptability of the US Engineering and Technical Workforce National Academies of Sciences, Engineering, and Medicine, National Academy of Engineering, Steering Committee on Preparing the Engineering and Technical Workforce for Adaptability and Resilience to Change,2018-08-19 Late last year the National Academy of Engineering NAE convened a workshop on Preparing the Engineering and Technical Workforce for Adaptability and Resilience to Change The workshop springs from the earlier NAE report *Making Value for America* which described the ongoing transformation in the way in which products and services are conceived designed made and distributed The workshop focused on the challenges facing the workforce in light of these dramatic changes in the production process especially the need to constantly renew and learn new skills The workshop served to increase stakeholders understanding of both the importance of workforce adaptability and the definition and characteristics of adaptability It also provided an opportunity to share known best practices for fostering adaptability

including identification of barriers and multiple pathways for overcoming those barriers As important it helped to identify needs for future study and development This publication summarizes the presentations and discussions from the workshop

Organization Phil Simon,2014-02-19 The era of Big Data as arrived and most organizations are woefully unprepared Slowly many are discovering that stalwarts like Excel spreadsheets KPIs standard reports and even traditional business intelligence tools aren't sufficient These old standbys can't begin to handle today's increasing streams volumes and types of data Amidst all of the chaos though a new type of organization is emerging In *The Visual Organization* award winning author and technology expert Phil Simon looks at how an increasingly number of organizations are embracing new dataviz tools and more important a new mind set based upon data discovery and exploration Simon adroitly shows how Amazon Apple Facebook Google Twitter and other tech heavyweights use powerful data visualization tools to garner fascinating insights into their businesses But make no mistake these companies are hardly alone Organizations of all types industries sizes are representing their data in new and amazing ways As a result they are asking better questions and making better business decisions Rife with real world examples and case studies *The Visual Organization* is a full color tour de force *Extreme You* Sarah Robb O'Hagan,2017-04-04 As a child Sarah Robb O'Hagan dreamed she could be a champion Her early efforts failed to reveal a natural superstar but she refused to settle for average Through dramatic successes and epic fails she studied how extraordinary people in sports entertainment and business set and achieve extremely personal goals Sarah became an executive at Virgin Atlantic and Nike and despite being fired twice in her twenties she went on to become the global president of Gatorade and of Equinox as well as a wife mother and endurance athlete In every challenging situation personal or professional individuals face the pressure to play it safe and conform to the accepted norms But doing so comes with heavy costs passions stifled talents ignored and opportunities squelched The bolder choice is to embrace what Sarah calls *Extreme You* to confidently bring all that is distinctive and relevant about yourself to everything you do Inspiring surprising and practical *Extreme You* is her training program for becoming the best version of yourself **Seizing Opportunity** Anonymous Journalist,1928 *Kader Ani* Frans Johansson,2018

The Top Books of the Year The Click Moment Seizing Opportunity In An Unpredictable World The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. The Click Moment Seizing Opportunity In An Unpredictable World : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
