A Fortunate Life Albert B Facey:

A Fortunate Life A B Facey,1985-07-01 The remarkable story of an ordinary man Bert Facey s childhood ended when he was eight years old That was when his grandmother had to send him away to work for his keep Bert grew up tough in the vast wild outback of Western Australia He lived to eighty seven and wrote down his extraordinary story for his grandchildren In spite of its difficulties and sufferings he always believed he had had a fortunate life A classic in Australian writing A Fortunate Life has been specially adapted for young readers

Dismantling the Big Bang Dr. John Hartnett,Alexander Williams,2005-07-01 Why did Ptolemy s theory cause problems for the church What is the big secret concerning the Age of the earth Why do many scientists reject the use of design in explaining origins The seemingly absurd idea that all matter energy space and time once exploded from a point of extreme density has captured the imagination of scientists and laypersons for decades The big bang has provided a central teaching for the eons of time of cosmic evolution undermining the history and cosmology of the Bible It is a theory that fails even violating the very physical laws on which it is purportedly based In this easy to read format authors Alex Williams and John Hartnett explode this naturalistic explanation for the universe and show that the biblical model provides a far better explanation of our origins This fully indexed illustrated analysis of the big bang theory is an invaluable help in understanding and countering a world view that is as chaotic and destructive as its name implies

All That Happened At Number

26 Denise Scott, 2011-09-25 All that Happened at number 26 now has a brand new cover with candid photos of Denise on the front I ll never forget the first time John and I saw number 26 We just knew it was going to be ours It was so awful and ugly and repulsive in every way not to mention the fact that it was located in a suburb I had sworn I d rather die than live in that we knew we had a great chance of getting it And so Denise Scott moved into number 26 with a husband his circus equipment a king sized futon but not a base a Ventolin inhaler to cope with stress induced asthma no savings to speak of and their newborn baby The husband lost his eyebrows the circus equipment multiplied spilling over into any available space the futon went mouldy the Ventolin ran out and another baby was added to the family putting paid to any ideas of further savings Forget about future plans it was enough just to make it through the day All lives have their hiccups though and this is no misery memoir far from it The life that Denise and her husband John created in their ramshackle house is one of warmth humour and good old fashioned ingenuity When the roof leaked the kids wore raincoats When the kids developed eczema Denise devised a menu consisting entirely of adzuki beans And when the council dismantled play equipment at the local park John built a cubby house with it so what if it was sprayed with arsenic It s not as if the kids were going to lick the walls Written with Denise s trademark candour is part memoir part stand up this book is completely beguiling Showing exactly what it takes to hold it all together when you want to follow your career dreams maintain the love in a marriage bring up kids who will get up off the couch and look after an ageing parent all while retaining a healthy sense of self doubt this book is a heartwarmer for anyone
