topical space time problem The key pre occupation linking the case studies is a concern with the replicability of research  
protocols and the testability of suggested results The anthropological perspective advocated in this book is anchored on the  
investigation of dynamic processes that have shaped the archaeological record and the evolution of past Saharan societies  
The approach delineated is a broad one and does not focus exclusively on any one of the many conflicting approaches  
currently debated by archaeologists Theoretical issues are systematically woven with the empirical record and consistently  
tested supported or refuted with hard archaeological facts **A. A. Comes of Age** Alcoholics Anonymous World
