NAPOLEON

A LIFE

ANDREW ROBERTS

AUTHOR OF CHURCHILL

Napoleon A Life Andrew Roberts

Ruth Scurr

Napoleon A Life Andrew Roberts:

Napoleon Andrew Roberts, 2014-11-04 The definitive biography of the great soldier statesman by the acclaimed author of Churchill and The Last King of America winner of the LA Times Book prize finalist for the Plutarch prize winner of the Fondation Napoleon prize and a New York Times bestseller A thrilling tale of military and political genius Roberts is an uncommonly gifted writer The Washington Post Austerlitz Borodino Waterloo his battles are among the greatest in history but Napoleon Bonaparte was far more than a military genius and astute leader of men Like George Washington and his own hero Julius Caesar he was one of the greatest soldier statesmen of all times Andrew Roberts's Napoleon is the first one volume biography to take advantage of the recent publication of Napoleon's thirty three thousand letters which radically transform our understanding of his character and motivation At last we see him as he was protean multitasker decisive surprisingly willing to forgive his enemies and his errant wife Josephine Like Churchill he understood the strategic importance of telling his own story and his memoirs dictated from exile on St Helena became the single bestselling book of the nineteenth century An award winning historian Roberts traveled to fifty three of Napoleon's sixty battle sites discovered crucial new documents in archives and even made the long trip by boat to St Helena He is as acute in his understanding of politics as he is of military history Here at last is a biography worthy of its subject magisterial insightful beautifully written by one of our foremost historians

Napoleon Andrew Roberts, 2014 First published in Great Britain by Allan Lane Title page verso

Napoleon the Great Andrew Roberts, 2014 AWARDED THE PRIX DU JURY DES GRANDS PRIX DE LA FONDATION NAPOL ON 2014 From Andrew Roberts author of the Sunday Times bestseller The Storm of War this is the definitive modern biography of Napoleon Napoleon Bonaparte lived one of the most extraordinary of all human lives In the space of just twenty years from October 1795 when as a young artillery captain he cleared the streets of Paris of insurrectionists to his final defeat at the horribly mismanaged battle of Waterloo in June 1815 Napoleon transformed France and Europe After seizing power in a coup d tat he ended the corruption and incompetence into which the Revolution had descended In a series of dazzling battles he reinvented the art of warfare in peace he completely remade the laws of France modernised her systems of education and administration and presided over a flourishing of the beautiful Empire style in the arts The impossibility of defeating his most persistent enemy Great Britain led him to make draining and ultimately fatal expeditions into Spain and Russia where half a million Frenchmen died and his Empire began to unravel More than any other modern biographer Andrew Roberts conveys Napoleon's tremendous energy both physical and intellectual and the attractiveness of his personality even to his enemies He has walked 53 of Napoleon's 60 battlefields and has absorbed the gigantic new French edition of Napoleon's letters which allows a complete re evaluation of this exceptional man He overturns many received opinions including the myth of a great romance with Josephine she took a lover immediately after their marriage and as Roberts shows he had three times as many mistresses as he acknowledged Of the climactic Battle of Leipzig in 1813 as the

fighting closed around them a French sergeant major wrote No one who has not experienced it can have any idea of the enthusiasm that burst forth among the half starved exhausted soldiers when the Emperor was there in person If all were demoralised and he appeared his presence was like an electric shock All shouted Vive l'Empereur and everyone charged blindly into the fire The reader of this biography will understand why this was so Andrew Roberts is a biographer and historian of international renown whose books include Salisbury Victorian Titan winner the Wolfson Prize for History Masters and Commanders and The Storm of War which reached No 2 on the Sunday Times bestseller list Roberts is a Fellow of the Royal Societies of Literature and Arts He appears regularly on British television and radio and writes for the Sunday Telegraph Spectator Literary Review Mail on Sunday and Daily Telegraph

A Short History of the French Revolution
Jeremy D. Popkin, 2024-01-30 A Short History of the French Revolution is an up to date survey of the French Revolution and Napoleonic era that introduces readers to the origins and events of this turbulent period in French history and historians interpretations of these events The book covers all aspects of the Revolution including the political social and cultural origins of the Revolution and its causes events and aftermath It provides readers with a full and yet concise overview of the Revolution that helps them easily understand the key elements of the subject Fully updated and revised this new edition allows students to engage with the most current work on the subject with increased attention given to women's role in the Revolution full coverage of the struggles over race and slavery a new emphasis on the populist element in revolutionary politics and an expanded discussion of the historiography of the era Supported by learning objectives critical thinking questions and suggestions for further reading this is the perfect introduction to the French Revolution for students of French and European History in the late eighteenth century

The Rise and Fall of Napoleon's Empire Epic Epoch, 2025-04-18 The Rise and Fall of Napoleon's Empire by Epic Epoch Disclaimer This is an original work of historical non fiction by Epic Epoch How did one man rise from obscurity to crown himself emperor and lose it all chasing glory This is the riveting story of Napoleon Bonaparte the military genius the reformer the tyrant and the exiled From revolutionary France to the frozen fields of Russia this book captures the meteoric rise and dramatic collapse of Europe's most complex conqueror Glory is fleeting but obscurity is forever Napoleon Bonaparte Follow the cannon smoke through Austerlitz the blood soaked ambition of empire and the painful unraveling of Napoleon's vision Discover the man behind the myth and the empire that couldn't outlast him P S If you've ever wanted to understand Napoleon's brilliance and downfall in one cinematic journey this is it Why Choose Us Epic Epoch Epic History Told Simply Bold vivid cinematic storytelling Clear concise and never boring Real takeaways Real history Disclaimer Once Again This is an original book written and published by Epic Epoch It is not a summary or affiliated with any other work

A Pilgrimage to Eternity Timothy Egan, 2020-06-16 Tracing an ancient pilgrimage route from Canterbury to Rome the bestselling and virtuosic The Wall Street Journal writer explores the past and future of Christianity Moved by his mother's death and his Irish Catholic family's complicated history with the church

Timothy Egan decided to follow in the footsteps of centuries of seekers to force a reckoning with his own beliefs. He embarked on a thousand mile pilgrimage through the theological cradle of Christianity exploring one of the biggest stories of our time: the collapse of religion in the world that it created. Egan sets out along the Via Francigena, once the major medieval trail leading the devout to Rome and makes his way overland via the alpine peaks and small mountain towns of France, Switzerland and Italy. Making his way through a landscape laced with some of the most important shrines to the faith, Egan finds a modern Canterbury Tale in the chapel where Queen Bertha introduced Christianity to pagan Britain, parses the supernatural in a French town built on miracles and journeys to the oldest abbey in the Western world, founded in 515 and home to continuous prayer over the 1,500 years that have followed. A thrilling journey, a family story and a revealing history, *A Pilgrimage to Eternity* looks for our future in its search for God. **The Internationalists** Oona A. Hathaway, Scott J. Shapiro, 2017-09-12. An original book about individuals who used ideas to change the world. *The New Yorker* the fascinating exploration into the creation and history of the Paris Peace Pact, an often overlooked but transformative treaty that laid the foundation for the international system we live under today. In 1928 the leaders of the world assembled in Paris to outlaw war. Within the year the treaty signed that day, known as the Peace Pact, had been ratified by nearly every state in the world. War for the first time in history had become illegal. But within a decade of its signing, each state that had gathered in Paris to renounce war was at war. And in the century that followed the Peace Pact was dismissed as an act of folly and an unmistakable failure. This book argues that the Peace Pact ushered in a sustained march toward peace that lasts to this day. A thought provoking and comprehensively researched book. *The Wall Street Journal*. *The Internationalists* tells the story of the Peace Pact through a fascinating and diverse array of lawyers, politicians and intellectuals. It reveals the centuries long struggle of ideas over the role of war in a just world order. It details the brutal world of conflict the Peace Pact helped extinguish and the subsequent era where tariffs and sanctions take the place of tanks and gunships. *The Internationalists* is indispensable. *The Washington Post*. Accessible and gripping, this book will change the way we view the history of the twentieth century and how we must work together to protect the global order the internationalists fought to make possible. A fascinating and challenging book which raises gravely important issues for the present. Given the state of the world, *The Internationalists* has come along at the right moment. *The Financial Times*. [Backward Glances](#) Conrad Black, 2016-10-25. From the preeminent columnist, historian and bestselling author writing at the top of his game comes an essential collection of writing on politics, economics, culture, religion and more. Conrad Black is one of our best known writers, historians and businessmen. This never before published collection of Conrad's finest journalism, selected from many of the most prestigious publications in the English speaking world, spans his full career. Included here are Conrad's best columns on Canada, its history and future, the U.S. as superpower, the Middle East, the Catholic Church, Wall Street and journalism. Also influential columns on everything from free trade to prison reform and unexpected delights including a much read column on rescued

kittens On all of these subjects Conrad Black is an intellectual force and these are the reflections of a masterful stylist whose opinions defy expectation and whose wit and brilliance is on display in everything he writes **Napoleon and His**

Marshals Andrew Roberts, 2026-11-10 Napoleon appointed twenty six men Marshals of the Empire a position he created to honor his most important Generals He encouraged competition among them for titles for wealth but above all for glory Only instead of creating a team of rivals as Lincoln so famously did he forged a nest of vipers A masterful biographer with a gift for capturing flawed heroes in all their vitality and self delusion Andrew Roberts invites us into the lives and loves of these elite warriors whose rivalries shaped the fate of Europe The marshals were the swords behind Napoleon s throne Their valor burnished his aura of invincibility Through their lives we follow the rise and fall of one of history s most captivating leaders who forged an empire greater than Caesar s from the embers of France s first failed effort at democracy Napoleon rose to power amidst the fervor and mayhem of the French Revolution bringing order after years of violence and upheaval He established new laws championed new technologies and pioneered new approaches to government and education but his defeat ushered in the return of autocratic absolutism Was he a genius or a tyrant From the vantage point of his marshals the answer may be both Over a quarter of Napoleon s Marshals died violent deaths Only two would be at his side at Waterloo But many would remember what it was like to be there fighting to make a new world Napoleon and his Marshals is a profound exploration of transformative leadership by a man uniquely gifted at rallying the troops who fatefully mistrusted those whose loyalty he needed to survive Talking Book Topics ,2015 **Country Life Illustrated** ,2001 **The Last King of**

America Andrew Roberts, 2021-11-09 From the New York Times bestselling author of Churchill and Napoleon The last king of America George III has been ridiculed as a complete disaster who frittered away the colonies and went mad in his old age The truth is much more nuanced and fascinating and will completely change the way readers and historians view his reign and legacy Most Americans dismiss George III as a buffoon a heartless and terrible monarch with few if any redeeming qualities The best known modern interpretation of him is Jonathan Groff s preening spitting and pompous take in Hamilton Lin Manuel Miranda s Broadway masterpiece But this deeply unflattering characterization is rooted in the prejudiced and brilliantly persuasive opinions of eighteenth century revolutionaries like Thomas Paine and Thomas Jefferson who needed to make the king appear evil in order to achieve their own political aims After combing through hundreds of thousands of pages of never before published correspondence award winning historian Andrew Roberts has uncovered the truth George III was in fact a wise humane and even enlightened monarch who was beset by talented enemies debilitating mental illness incompetent ministers and disastrous luck In The Last King of America Roberts paints a deft and nuanced portrait of the much maligned monarch and outlines his accomplishments which have been almost universally forgotten Two hundred and forty five years after the end of George III s American rule it is time for Americans to look back on their last king with greater understanding to see him as he was and to come to terms with the last time they were ruled by a monarch Napoleon

Steven Englund, 2004 This sophisticated and masterful biography written by a respected French history scholar who has taught courses on Napoleon at the University of Paris brings new and remarkable analysis to the study of modern history's most famous general and statesman. Since boyhood Steven Englund has been fascinated by the unique force, personality, and political significance of Napoleon Bonaparte, who in only a decade and a half changed the face of Europe forever. In *Napoleon: A Political Life*, Englund harnesses his early passion and intellectual expertise to create a rich and full interpretation of a brilliant but flawed leader. Napoleon believed that war was a means to an end, not the end itself. With this in mind, Steven Englund focuses on the political rather than the military or personal aspects of Napoleon's notorious and celebrated life. Doing so permits him to arrive at some original conclusions. For example, where most biographers see this subject as a Corsican patriot who at first detested France, Englund sees a young officer deeply committed to a political event, idea, and opportunity: the French Revolution, not to any specific nationality. Indeed, Englund dissects carefully the political use Napoleon made both as First Consul and as Emperor of the French, of patriotism or nation talk. As Englund charts Napoleon's dramatic rise and fall from his Corsican boyhood, his French education, his astonishing military victories, and no less astonishing acts of reform as First Consul (1799-1804) to his controversial record as Emperor, and finally to his exile and death, he is at particular pains to explore the unprecedented power Napoleon maintained over the popular imagination. Alone among recent biographers, Englund includes a chapter that analyzes the Napoleonic legend over the course of the past two centuries down to the present-day French Republic, which has its own profound ambivalences toward this man whom it is afraid to recognize yet cannot avoid. *Napoleon: A Political Life* presents new consideration of Napoleon's adolescent and adult writings, as well as a convincing argument against the recent theory that the Emperor was poisoned at St. Helena. The book also offers an explanation of Napoleon's role as father of the modern in politics. What finally emerges from these pages is a vivid and sympathetic portrait that combines youthful enthusiasm and mature scholarly reflection. The result is already regarded by experts as the Napoleonic bicentennial's first major interpretation of this perennial subject. *The Literary Review*, 2007

The Atlantic Monthly, 2002 **Napoleon** Ruth Scurr, 2021-05-06 Glorious Scurr is one of the most gifted non-fiction writers alive. Simon Schama, *Financial Times*. A revelatory portrait of Napoleon written for our own time, exploring his love of nature and the gardens that gave his revolutionary life its light and shade. Napoleon's gardens range from his childhood olive groves in Corsica to Josephine's menageries in Paris to the walled garden of Hougoumont at the battle of Waterloo and ultimately to St. Helena, where he could sit and scan the sea in his final months. In this innovative biography, Ruth Scurr follows the dramatic trajectory of Napoleon's life through the land he cultivated and that offered him retreat from the manifold frustrations of war and politics. Seen through the eyes of those who knew him in the shade of his gardens, Napoleon emerges a giant figure made human, both as the Emperor hunting for glory and the man in an old straw hat leaning on his spade. Immensely satisfying and captivating. Charming and intelligent. Andrew Roberts, *TLS*. Grippingly original. *The Times*. A

delight to read Daily Telegraph A Book of the Year in The Times Sunday Times Daily Telegraph Financial Times Sunday Telegraph and History Today Winner of a Society for Military History Distinguished Book Award 2022 *The Hills of Hawkstone and Attingham* Joanna Hill,2005 No fewer than six Hills of Hawkstone boast entries in the Dictionary of National Biography from Sir Rowland Hill Kt the first Protestant Lord Mayor of London in the mid 16th century the Great Hill a highly influential diplomat and spy at the end of the 17th century the brothers Sir Richard and the Reverend Rowland who were leading figures in the early Evangelical movement and General Rowland 1st Viscount Hill Wellington's right hand in the Napoleonic Wars and his successor as Commander in Chief of the Army Leadership in War Andrew Roberts,2019-10-29 A comparison of nine leaders who led their nations through the greatest wars the world has ever seen and whose unique strengths and weaknesses shaped the course of human history from the bestselling award winning author of Churchill Napoleon and The Last King of America Has the enjoyable feel of a lively dinner table conversation with an opinionated guest The New York Times Book Review Taking us from the French Revolution to the Cold War Andrew Roberts presents a bracingly honest and deeply insightful look at nine major figures in modern history Napoleon Bonaparte Horatio Nelson Winston Churchill Adolf Hitler Joseph Stalin George C Marshall Charles de Gaulle Dwight D Eisenhower and Margaret Thatcher Each of these leaders fundamentally shaped the outcome of the war in which their nation was embroiled Is war leadership unique or did these leaders have something in common traits and techniques that transcend time and place and can be applied to the essential nature of conflict Meticulously researched and compellingly written Leadership in War presents readers with fresh complex portraits of leaders who approached war with different tactics and weapons but with the common goal of success in the face of battle Both inspiring and cautionary these portraits offer important lessons on leadership in times of struggle unease and discord With his trademark verve and incisive observation Roberts reveals the qualities that doom even the most promising leaders to failure as well as the traits that lead to victory **Napoleon** Adam Zamoyski,2018-10-16 The definitive biography of Napoleon hailed as magnificent by The Economist What a novel my life has been Napoleon once said of himself Born into a poor family the callow young man was by twenty six an army general Seduced by an older woman his marriage transformed him into a galvanizing military commander The Pope crowned him as Emperor of the French when he was only thirty five Within a few years he became the effective master of Europe his power unparalleled in modern history His downfall was no less dramatic The story of Napoleon has been written many times In some versions he is a military genius in others a war obsessed tyrant Here historian Adam Zamoyski cuts through the mythology and explains Napoleon against the background of the European Enlightenment and what he was himself seeking to achieve This most famous of men is also the most hidden of men and Zamoyski dives deeper than any previous biographer to find him Beautifully written Napoleon brilliantly sets the man in his European context History Today ,2003

Unveiling the Magic of Words: A Review of "**Napoleon A Life Andrew Roberts**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Napoleon A Life Andrew Roberts**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.
