everywhere and if you're not leveraging its power to promote your business you've already been left behind. Having a website and social media is not enough if you truly want to take advantage of unprecedented levels of connectedness you have to create content that draws customers in. It's not about blindly expanding reach it's about reaching out to the right audience. Today's marketplace is no longer about chasing the sale with the right approach to content your customers will come to you. Your content must be valuable, relevant, and consistent but how should it be implemented at the actual content creation level? This book shows you how to develop a unified strategy, create compelling content tailored to your needs, and utilize that content to its greatest advantage in order to build your brand. Discover the power of storytelling and generate effective content ideas. Plan a long-term content strategy and a content creation framework. Create great content, promote it, measure it, and analyze its performance. Extend your content's value, become a more effective writer, and develop a growth mentality. Effective content is worth its weight in marketing gold. It stands out from the noise and to the customer looks like an oasis in a desert of clickbait and paid reviews.

**Content - The Atomic Particle of Marketing** Rebecca Lieb, 2017-06-03 DISTINGUISHED FAVOURITE NYC Big Book Awards 2017 Content in all its forms is the single most critical element of any marketing campaign. Finding a successful equilibrium between content marketing and content strategy is difficult but essential. **Content: The Atomic Particle of Marketing** goes beyond superficial descriptions of how to produce engaging social media content to

offer the results of many years of deep quantitative research and hours of interviews with senior marketers at some of the world's leading brands. Written by a recognized industry thought leader, *Content: The Atomic Particle of Marketing* explores how content functions in the broader framework of all marketing as well as organizational concerns and IT decision making. It demonstrates the value content brings not only to owned media initiatives such as a company website or blog but also the essential role content plays in all other marketing initiatives from social media to advertising to offline channels. It will enable readers to make the organizational staffing tools and process decisions necessary to get content up and running across divisions and organizational silos. Deeply researched and insightful, *Content: The Atomic Particle of Marketing* is quite simply the definitive research-based guide to content marketing.

**Content Marketing In A Week** Jane Heaton, 2016-03-10 CIM CHARTERED INSTITUTE OF MARKETING BOOK OF THE MONTH MAY 2016 Content marketing just got easier. Content marketing is one of today's growing marketing trends following fast on the heels of social media. It is marketing through creating and sharing content that potential customers find relevant, useful, and valuable in order to attract, engage, convert, and retain them. It's a strategy that requires careful thought, clear objectives and goals, and a deep understanding of your audience. It requires you to reach out to them with well-planned and well-produced content in all forms and formats, offline as well as online. In this book, we take a joined-up look at content marketing: the key principles that underpin it and what it takes to put it into practice in a consistent and fully formed way. And we provide a practical framework for planning it and executing it successfully, whatever the size of your business or your marketing team. Adopting a content marketing approach is certainly not a short-term quick-win tactic. But the chances are it could make a big difference to the effectiveness of your marketing.
