Brannon, Lorynn R. information on how to select the pieces you love and even a detailed how to sell on line guide in the resources section at the back of the book Most importantly there is a detailed section on assessing and reassessing your capsule wardrobe a technique that many books ignore This section will help you decide if what you chose was right for you and will help you make adjustments if you decide they were not The book also looks at other types of capsule wardrobes you might have like active wear sleepwear and underwear It will show you how to use the same techniques to create mini capsule within your wardrobe At the end of each chapter there is a chapter summary and activity suggestions to help you create your own capsule wardrobe The final part of the book is a resource section Here you will find blogs and websites that are mentioned in the book and a detailed guide to selling clothes on line [Bradshaw's monthly railway and steam navigation guide](#) George Bradshaw,1906 [The Guardian Index](#) ,2000 **Capsule Wardrobe** Beverly Morton,2017-10-06 Capsule Wardrobe The Essential Guide on How to Find Personal Style and Create Amazing Capsule Wardrobe If you re looking to change up what s in your closet look through magazines Explore parts of the store you don t usually look at If you wear skinny jeans try a relaxed fit If you wear dresses often try a blouse and skirt Ask your friends why they like a certain piece or a certain designer or a certain brand This is also a good chance to see if there s a style you might be missing our tastes can change as we age Something to keep in mind while you work on defining your style and looking for inspiration is what you want your clothing to say about you Each style has a definition and a preconceived stereotype that goes with it For example the girly style is stereotypically full of pink lace and dresses Sometimes all three in one piece of clothing Simply because something fits the definition of one style almost word for word doesn t mean that it can t fit into another category too This book will help you on capsule wardrobe Thank you for downloading this book it is my sincere hope that it will answer your questions on Capsule Wardrobe
