Online Side Hustle: Newbie-Friendly Guide for Making Your First \$1,000 in Passive Income Each Month on Autopilot -- With 7 Proven Business Models Including Social Media, Shopify, and Amazon FBA Financial Freedom Blueprint, 2019-05-07 Profitable businesses that you and your family can start in your spare time. If you've ever wanted to make a little extra cash on the side but don't have much money to invest, then keep reading. Here's the unfortunate truth: Most of the books on Amazon promise you instant riches for little to no work. Or they'll just be one long sales pitch for yet another overpriced online course. Or worse, some kind of recruitment for a network marketing scam. So why is this book different? Here at Financial Freedom Blueprint, we've rounded up a group of experts, each

of whom have years of experience in their fields to bring you today's best work at home opportunities. Not stuff which might have worked 10 years ago but no longer does so even if you've tried blogging, writing articles, selling stuff on Craigslist or eBay, affiliate marketing or a bunch of other stuff online which doesn't actually work then don't worry. This book only contains proven business models which are working in 2019. This isn't a get rich quick scheme and these projects will need some time and effort to get started. But all them only require a small investment and sometimes no investment and don't take a lot of time to set up. No need for hours of technical training either. Most of these are turnkey models you can get up and running with in a single weekend. And best of all you can run them from your laptop or in some cases your smartphone. Here's just a fraction of what you'll discover inside. The real secret to making money online. This is the opposite to what every guru has been telling you. How one desperate housewife made 1,500 profit her first month with just a small investment of 200 and less than 10 hours of work. The unique business model you can use to make 500 a week from your smartphone. The 4 best ecommerce niches for 2019 you won't find these on any mainstream websites and sellers in them are quietly making a killing. How to leverage one of the fastest growing markets on the planet by writing about your favorite subjects. This is one of the most fun and profitable ways to make money online right now. An unsexy yet reliable way to generate 1,000 in the next week. All it takes is a few emails sent to the right people and 2 hours of computer work and you're good to go. The dangerous lesson inside Rich Dad Poor Dad. The little known business model only taught in a 2,500 program which is making people 4 and 5 figures a month with less than 60 minutes work a week. How to make your first 1,000 with zero investment even if you don't have a college degree or barely finished high school. This one is so simple we've yet to see anyone fail with it. Is Amazon FBA worth it in 2019. The surprising truth inside and much much more. If you or your spouse loves to write then you'll love the business model in chapter 7 which can easily net you an extra 25,000 a year no it's not blogging. Or if you fancy yourself as someone who can spot a bargain then head straight to chapter 5 to discover how to leverage your skill in today's online marketplace. There are no upsells or withheld information either you can read the book and get started with your new side hustle the very same day. So if you want to get your hands on 7 proven business models for less than the price of an overpriced coffee at Starbucks. features of this book is that it's designed to be accessible and easy to use. The side hustles are all designed to be simple and easy to start with minimal upfront costs or investments required. The book also includes helpful tips and tricks for each side hustle so you can maximize your earning potential and avoid common pitfalls. For example, the book includes detailed information on how to start a freelance writing career. It covers everything from building a portfolio to finding clients to managing your workload. There are also tips for how to set your rates and negotiate with clients, as well as how to avoid common mistakes and pitfalls. In addition to the side hustles themselves, the book also includes helpful information on how to manage your finances and stay organized. It covers topics like how to track your income and expenses, how to set financial goals, and how to manage your time effectively. There are also suggestions for how to balance your side hustle with your day job or other commitments so you can make the most of your time and energy. One of the benefits of side hustles is that they can be a great way to explore new interests and passions. The book includes a section on how to turn your hobbies and passions into profitable side hustles. Whether you're a talented photographer, a skilled artist, or a passionate gardener, there are opportunities to turn your skills and interests into money-making ventures. Another benefit of side hustles is that they can provide a sense of independence and control over your financial future. Many people are looking for ways to reduce their reliance on traditional jobs and create more flexibility in their lives. Side hustles can be a great way to achieve this, providing a way to earn money on your own terms and set your own schedule. In conclusion, *Make Money from Home: More Than 40 Side Hustles to Increase Your Income* is a valuable resource for anyone looking to explore the world of side hustles. With its comprehensive coverage of a wide range of opportunities, helpful tips and tricks, and guidance on managing your finances and time, this book is the good starting point for anyone looking to create a more flexible and independent financial future. Whether you're looking to earn a little extra cash on the side or create a full-time income, *Make Money from Home* is the good guide to help you achieve your goals.
