Titanic The Long Night Diane Hoh:

Titanic Diane Hoh,1998 This action packed big summer read focuses on the lives of several teenage passengers aboard the ill fated Titanic Copyright Libri GmbH All rights reserved Remembering the Titanic Diane Hoh,1998 The survivors of the Titanic shipwreck struggle to get on with their lives after the pain and sadness of that disastrous night *The Titanic* Eugene L. Rasor,2001-09-30 Promoted as virtually unsinkable the ultimate luxury liner the largest ship in the world the RMS Titanic sank on its maiden voyage in April 1912 taking some 1 500 people to their death Aboard the ship were the wealthy and famous as well as hundreds of immigrants seeking a new life in America The most dramatic marine disaster of modern times the Titanic tragedy captured the interest and imagination of the entire world The intensity of interest in the catastrophe has increased particularly after discovery of the wreck off the coast of Newfoundland in the mid 1980s The resulting literature is vast including both scholarly and popular sources Covering more than the published literature the book also surveys memorabilia artifacts cultural icons music film and exhibitions Divided into three sections the work opens with a historiographical survey of the literature then includes descriptive lists of more peripheral material and concludes with a bibliography of 674 entries All items covered in the historiographical survey are included in the bibliography This useful guide will appeal to researchers both laymen and scholars interested in the Titanic **The Titanic in Print and on Screen** D. Brian Anderson,2014-12-09 Titanic scholars contend that the demise of the unsinkable ship left more behind than a memory of April 15 1912 as an important point in history Through books films stories and songs the archetypal shipwreck has endured as a metaphor for the perils of mankind's hubris and the fallibility of technology In 1985 the discovery of the long missing wreckage two miles below the surface of the Atlantic revitalized interest in the Titanic and spawned a new generation of books films and for the first time websites and computer games James Cameron's blockbuster Titanic became the biggest movie of all time and engendered still greater popular interest in the tragic event This bibliography is a survey of the immense volume of literary dramatic and commercial endeavors that came out of history's most compelling shipwreck Organized by genre in accessible categories and short entries the book includes Titanic inspired documentaries narrative films children's books histories short stories novels plays articles essays software websites poems and songs Each entry includes a brief review bibliographic information and the technical details of the specific source The reviews include subjective analysis designed to reflect the usefulness of the source and to be of benefit to researchers and scholars Five appendices include lists of the actors appearing in more than one Titanic film brief film and television appearances of the Titanic films never or not yet released books that survived the wreck and books written by passengers A Study Guide for Thomas Hardy's "Convergence of the Twain" Gale, Cengage Learning,2016 **The Sinking of the Titanic** Rebecca Aldridge,2009 The ship was supposed to be unsinkable But on April 14 1912 the unthinkable happened the world's largest and most luxurious ocean liner the Titanic struck an iceberg in the frigid waters in the dark of night What happened next

seemed unbelievable to people at the time In approximately two and a half hours the celebrated ship flooded with water cracked in half and sank miles to the ocean floor below Of the 2 200 passengers and crew onboard only 705 survived The rest suffered a terrifying and cold death in the Atlantic Observers around the world were horrified and saddened by the tragedy and many wanted answers What caused this incredible disaster to happen and why did so many people have to die In *The Sinking of the Titanic* read about the steamship from stem to stern from the building and construction the crew and passengers and the ship s fate with an iceberg to the effect this tragedy had and continues to have on the shipping industry and the world **Titanic** Diane Hoh,1998 *Quick and Popular Reads for Teens* Pam Spencer Holley,2009 Compiles and annotates YALSA s Popular Paperbacks for Young Adults and Quick Picks for Reluctant Readers Includes theme lists The Christian Science Journal ,2007 *School Library Journal* ,1999 **Student Body** Diane Hoh,2013-08-27 It s payback time when an accidental fire sends an avenging stalker after a group of college friends Victory Alexander and her buddies are celebrating Salem University s big team win with a barbecue in the woods But when gusty March winds ignite a fire that rages out of control Tory barely escapes the blaze in time Basketball star Hoop Sinclair isn t so lucky When Tory and her friends realize he s missing it s too late to go back or to tell anyone After all they were partying on forbidden state park property If the secret gets out they could be expelled The next day an injured person turns up unconscious burned beyond recognition Is the bandage swathed body in the hospital bed Hoop To make matters worse Tory and her friends are being stalked by a terrifying mummified creature The student must find out who it is before they wind up paying for their choices with their lives This ebook features an illustrated biography of Diane Hoh including rare photos and never before seen documents from the author s personal collection Book of Horrors Diane Hoh,2012-03-27 Reed would die to work for Victoria McCoy and she may get the chance to do just that Reed Monroe chose Salem University for one reason the opportunity to study with Victoria McCoy writer in residence and bestselling author of horror fiction When she learns that a lingering illness is preventing McCoy from teaching any classes Reed starts a fan club for other McCoy obsessives Although it only attracts a few members the club is her passion until she hears about the opportunity of a lifetime Victoria McCoy is hiring a new assistant It s a job that any horror fan would kill for After she s hired Reed learns that the position was open because the last assistant disappeared and that every one of McCoy s employees has vanished mysteriously To survive freshman year Reed must confront the possibility that her idol might be a murderer This ebook features an illustrated biography of Diane Hoh including rare photos and never before seen documents from the author s personal collection The Publishers Weekly ,1999 **Sorority Sister** Diane Hoh,2012-03-27 Someone is out to destroy the most popular sorority on campus Joining Omega Phi Delta is the best thing that s ever happened to Maxie Since she pledged with Salem University s coolest sorority she s never had trouble finding a party to go to or a boy to date Her new life is perfect until death strikes Omega House The terror starts when Maxie s sorority sister Erica s jewelry box goes missing with all of her
