

Structured Academic Controversy: Manifest Destiny

Aim: Was it a good idea for Americans to expand westward?

Exit/Work: *What were the positive and negative effects of manifest destiny?*

Positive Effects	Negative Effects
<ul style="list-style-type: none">••	<ul style="list-style-type: none">••

Directions: During today's class you will work to decide if it was a good idea for Americans to expand westward. Your goal for today is to examine the evidence, create a claim, present, and defend that claim to one of your peers.

Mod Holt Rinehart & Winston, 2007 *Regenerating Africa* Mammo Muchie, Vusi Gumede, 2017-04-11 It has been long
overdue to address the principal problems that Africa continues to have How to bring real African solutions to these
problems remains unresolved Palaeontologists have discovered that Africa is the origin of humanity Africa has also
experienced the commodification of its humanity through slavery colonialism and apartheid The African continent has been
influenced by a m lange of races cultures religions ethnic nationalities making the project of how the differences can be
managed to forestall conflict and promote the unity of the current 54 states to turn the cacophony of noises into a single
voice that can protect Africa a difficult challenge This book on Regenerating Africa Bringing African Solutions to African
Problems addresses why Africans must come together and try to address their own problems They must look back to the
spiritual struggle and knowledge heritage to re imagine and innovate a new Africa with leadership governance systems and
institutions that can address the security and well being the employment social inclusion poverty eradication and the equality
of the people In fact the key problem to find a solution is how to Africanise those that originated from Africa and those that
became settlers with different racial cultural religious linguistic and ethnic variations How to manage inter African relations
How the settlers from the colonial legacy the apartheid legacy the Arabs in Africa and the varied tribes within Africans can
all share being Africanised above all else is a real challenge to bring lasting solutions to Africa s enduring problems This book
is one of the few books that addresses the real problems Africa continues to face by suggesting solutions which policy makers
and all Africans must learn and never ignore but use to advance a free united renascent proud and dignified independent
Africa in this unpredictable time the world is going through The contributors address in the book how African solutions to
African problems in the current global context to create a sustainable African future can be thought designed and engineered
to advance the well being of people and nature for all The African Unity for Renaissance series of conferences that over 10
partners contributed to run is the true source for generating the quality papers that have been peer reviewed to constitute
