Tongues on Fire Pastor Leslie Robert Barnett,2018-12-19

Tongues on Fire are a must read for those who want to experience the baptism of the Holy Spirit with the gift of speaking in tongues Authored by Pastor Leslie Barnett who writes from experience having been involved in the 1970s New Prophecy Movement Pastor Barnett's story begins with 18th century evangelist John Wesley who paid heed to visions and supernatural encounters that occurred in the lives of Methodists of his day Throughout his life he gathered stories of how God was revealing Himself in the lives of His people and gave much thought to their meaning The author explains that when the Holy Spirit was being poured out with the speaking of tongues families were reunited long severed friendships reconciled and hearts flowed together in true fellowship in the Lord And even more than that along with the spirit of unity and love came the spirit of sacrifice and the wondrous spirit of liberty But in today's modern church tongues is considered unnecessary leaving many to question whether or not Mark 16:17 the hallmarks to Pentecostalism should be deemed spurious in many modern Bibles This has led to a noticeable decline in spiritual gifts among Pentecostal and charismatic worship services says Pastor

Barnett Leslie explains how the New Apostolic Reform movement is causing a schism within the Assemblies of God churches prompting concern that this may emulate the second century Montanist movement when prophecy became presumptuous by self appointed apostles prophets and prophetesses Pastor Barnett exposes many who claim to be God's anointed and dismisses the notion that a third wave outpouring of the Holy Spirit is very much alive due to the many ethical problems facing the Pentecostal church in our day To sum up the problem Leslie had this to say The very soul of Christ's church embodied in prophetic utterances discernment worship healing deliverance and hospitality has slowly diminished leaving a lifeless Institutionalised religion with highly paid works of men 2 Timothy 3:1-3 Of special interest is chapter seventeen where Pastor Barnett provides a spiritual explanation as to why Brett Peter Cowen was involved in one of Australia's most horrendous crimes against Daniel Morcombe and how it may have been avoided And in chapter twenty five how a couple survived 9/11 by obeying God rather than man Last but not least is chapter thirty three which is dedicated to the Mysterious Messengers the angels of God who have played a vital role in producing this work

Pich,2024-10-09 Tongues on Fire is written for those who are interested in or confused about the current tongues phenomenon sweeping through the church today Many believe it is a manifestation of the Holy Spirit promised as the age draws to a close Others are not so sure Is there a special prayer language given to believers from the Holy Spirit for us to speak to God Is speaking or praying in tongues a sign of true spiritual endowment available to all believers Is it possible that by not embracing this experience one might miss out on something God wants for His people Confusion and uncertainty regarding this important and increasingly pervasive subject can perplex even the most seasoned believer In Tongues on Fire R L Pich will examine the history and Biblical teaching regarding the gift of tongues and will investigate whether the modern tongues movement is from God or a product of misunderstanding or worse It is a must read for anyone interested in developing a biblical understanding of this spiritual gift

Tongues of Fire, 1929 **The tongue of fire; or, The true power of Christianity.**

Author's uniform ed William Arthur, 1885 [Index to Short Stories](#), 1929 [Tongues of Fire](#) Paul O. Ingram, 2019-09-17

Pentecost celebrates the countless expressions of God's love and wisdom Like a skilled dancer God's Holy Spirit moves through all creation bringing forth life and love and inspiration Fire and wind are everywhere Inspiration and revelation are just a moment away and can come either by surprise or as a result of the interplay between God's wisdom and our intentional spiritual practices The spirit blows where it wills in all directions embracing all life human and nonhuman In other words Pentecost is about God's omnipresence which Ingram interprets through the categories of Whiteheadian process theology as God's ever present initial aim that all things and events at every moment of space time achieve the maximum self fulfillment of which they are capable Intentionally conforming our subjective aims for our own fulfillment with God's initial aim for us as the historical Jesus did is the call of Pentecost Omnipresence is an all or nothing deal God can't be a little omnipresent Either God is present in with and under every thing and event since the beginning of creation what theologians and philosophers call panentheism or omnipresence makes no sense
