Under The Net by Iris Murdoch as an Angry Novel Véronique Yon Delaporte, 1984 [Contingency in Iris Murdoch's "Under the Net"](#) Saskia Bachner, 2008-09 Seminar paper from the year 2008 in the subject English Language and Literature Studies Literature grade 1.3 University of Mannheim course British Literature of the 50's 22 entries in the bibliography language English abstract All human beings have a deep need for necessity in their lives We want to know why we exist we want to understand the world and its secrets and we want to know our place in the world Concepts like religion and philosophy are concerned with those questions and try to provide answers to them Nevertheless there are still no satisfying explanations This is due to the fact that our actual lived experience has no form or unity in itself but is full of contingent rubble accident and unsystematized detail which may resist our attempts at unity Antonaccio Schweiker Human Goodness 111 As our world is contingent it cannot be completely

understood Consequently we should accept its contingency instead of denying it by trying to find an explanation to everything The stress ratio between contingency and necessity is also the theme of Iris Murdoch s first novel Under the Net Throughout the novel the protagonist Jake Donaghue searches for his own identity and for a master theory which is able to explain the world of Porter Leitmotiv 379 In the end he realizes that he has to change his attitude towards contingency In the following I will try to find reasons for the change of Jake s attitude and I will describe the consequences of this change In order to be able to do this I will first provide a definition of the term contingency and place it in the context of philosophy in chapter 2 Afterwards I will explain some essential aspects of contingency in the novel in chapter 3 In chapter 4 I will have a look at Jake s changing attitude towards contingency in the course of the novel in order to finally be able to find reasons for the change and to describe its consequences in chapter 5 and 6

Reading as if for Life David

Dickinson,2025-04-24 Creaking open the pages of a heavy hardback or bending the spine of a poetry book over your knee on the train squinting over curled up pages by the light of a candle or scribbling notes in the margins in the corner of a sprawling library There are many who read as if for life many for whom as David Dickinson explores reading does not just feed the mind but also the soul Reading as if for Life takes us beyond the spirituality of sacred texts and into the spiritual possibilities of secular literature the opportunity to find or empty oneself the chance to engage in silent conversation with an absent other the appreciation of beauty and art the possibility of enlightenment From Augustine of Hippo to Thomas Hardy Iris Murdoch the poetry of R S Thomas Duffy and Donne and many other literary works David Dickinson explores how writers throughout the centuries have understood and experienced their own spirituality of reading For Dickinson these myriad journeys all bring us closer to an encounter with God dreaming ourselves into a world beyond This book invites its readers to
