best option from the wide range of digital cameras currently on the market and how to use a home computer PC or Mac and one of the bundled software packages supplied by computer manufactures to improve or enhance holiday snapshots children's portraits and other subjects that commonly find their way into the family photograph album It assumes absolutely no prior knowledge of either digital photography or computers and is ideal for the casual amateur photographer who wants to take advantage of the new digital technology to achieve simple special effects such as cut outs mixing merging and creating photographic collages or simply to improve the quality of a under or over exposed picture Unlike other books on the subject The Beginner's Guide to Digital Photography Uses common snapshot subjects to illustrate image manipulation techniques Demonstrates the use of bundled software products rather than expensive specialist packages such as Photoshop Is equally useful to PC and Macintosh users Assumes no prior knowledge of either photography or computers

**Photography Made Easy** Rick Cheadle, 2016-02-17 Are you an aspiring photographer Not sure where to start Have you been taking pictures that your just not happy with I was in the same position as you were several years ago when I first got a DSLR camera I shot everything in full auto mode and I didn't have a clue what all those buttons and knobs were for I just pointed and shot This resulted in inconsistent blurry unbalanced over exposed or under exposed photos I decided to learn how to take control of my camera and actually learn what all of those buttons and knobs were for and become an actual photographer as opposed to someone that just took pictures After studying many books watching tutorial videos and years of trial and error I have compiled the best and fastest way to break free of auto mode photography and explore all that my digital camera had to offer When reading this book you will see references to settings and various parts of your camera Since there is a wide range of brands and all cameras are slightly different I recommend you refer to your owner's manual to better understand your particular camera's layout and functionality I have included pictures and easy to follow diagrams and I explain things in an easy to understand and simple manner My goal is to teach you all the important photography basics and enhance your skills so you can capture professional high quality photographs that you will be proud of

**Digital Photography For Beginners** Angela Pierce, 2015-05-08 A career as a doctor an engineer or perhaps a journalist would sit well with most old folks Talking of being a professional photographer would be unruly and most definitely unexpected Or will it be This profession needs a perfect understanding of both the tools and rules of the digital photography And this book can help you with that

**Digital Photography for Beginners** Samuel S. Nye, 2015-03-07 There is so much you can do with a digital camera But selecting the right one for your needs is important You need a digital camera that offers the features you are looking for It also needs to be a device that you feel comfortable using Some of them are quite basic while others offer an array of additional features This book can help you choose the one that is right for you Taking quality photos isn't something that a person just does naturally Even with the most expensive digital camera your photos aren't going to come out the way you want them to if you don't understand the basics Keep in mind that a moderately priced digital camera is all you really need to take exceptional photos

You don't need to have an expensive digital camera or to be a professional photographer to take great images. Have fun practicing, try out the various methods that are offered in this book, and don't be afraid to try something brand new. You can be creative with how you take pictures too once you understand the basics. Also, Like My Facebook Page <https://www.facebook.com/pages/Samuel-S-Nye/932028570164734> ref hl

The Top Books of the Year Beginners To Digital Photography The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. Beginners To Digital Photography : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Beginners To Digital Photography : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
