strategies and doctrines and finally the national or multilateral military operations by European armed forces The contributions to The Handbook collectively demonstrate the fruitfulness of giving analytical precedence back to the comparative study of national defence policies and armed forces across Europe *Republic of Belarus, Staff Report for the ... Ioffe, 2008-02-25 In the West Belarus is generally thought of as the last dictatorship in Europe However this political stereotype neglects the roots of the country s identity or identity crisis In this fascinating study of unfinished nation building in Belarus Grigory Ioffe draws on his two dozen research trips to the country to trace Belarus s history geography political situation society and economy The book highlights rapid economic growth in post 1996 Belarus and the underpinnings of the country s political landscape The United States has ostracized official Belarus since the mid 1990s and has repeatedly condemned President Lukashenka s undemocratic ways However his presidency has been stable since 1994 and since 2002 he has been successfully reshaping himself from an unabashed Russophile into a kind of Belarusian nationalist Nevertheless the Belarusian nation is not yet a defined entity many Belarusians are not yet certain as to what sets them apart from Russians and a multiplicity of national projects hinders national consolidation and deters nation building Ioffe pays particular attention to the current linguistic situation in which Russian rather than Belarusian is the language of the majority The ambivalent relationship between Russia and Belarus results in an identity crisis that is not understood by the West which leads to Western policies toward Belarus that are based on a fallacy of geopolitical thinking Based on Belarusian and Russian language sources along with the author s personal observations this book will lead readers to a deeper understanding of Belarus its relationship with Russia and its still forming national identity **Project and Trade Finance**, 1995 *Belarusian Women as Seen Through an Era*, 1997 *Annual Report* United States.
