**Beyond Redemption** Michael R. Fletcher, 2015-06-16 Set in a world where madness equates to power An alarming original and compulsive tale laced with a blackly comic sensibility Anthony Ryan New York Times bestselling author A darkly imaginative writer in the tradition of Joe Abercrombie Peter V Brett and Neil Gaiman conjures a gritty mind bending fantasy set in a world where delusion becomes reality and the fulfillment of humanity s desires may well prove to be its undoing Faith shapes the landscape defines the laws of physics and makes a mockery of truth Common knowledge isn t an axiom it s a force of nature What the masses believe is But insanity is a weapon conviction a shield Delusions give birth to foul new gods Violent and dark the world is filled with the Geisteskranken men and women whose delusions manifest twisting reality High Priest Konig seeks to create order from chaos He defines the beliefs of his followers leading their faith to one end a young boy Morgen must Ascend to become a god A god they can control But there are many who would see this would be god in their thrall including the High Priest s own Doppels and a Slaver no one can resist Three reprobates The Greatest Swordsman in the World a murderous Kleptic and possibly the only sane man left have their own nefarious plans for the young god As these forces converge on the boy there s one more obstacle time is running out When one s delusions become more powerful they become harder to control The fate of the Geisteskranken is to inevitably find oneself in the Afterdeath The question then is Who will rule there

**Moving Beyond Prozac, DSM, and the New Psychiatry** Bradley Lewis, 2010-02-05 Interesting and fresh represents an important and vigorous challenge to a discipline that at the moment is stuck in its own devices and needs a radical critique to begin to move ahead Paul McHugh Johns Hopkins University School of Medicine Remarkable in its breadth an interesting and valuable contribution to the burgeoning literature of the philosophy of psychiatry Christian Perring Dowling College Moving Beyond Prozac DSM and the New Psychiatry looks at contemporary psychiatric practice from a variety of critical perspectives ranging from Michel Foucault to Donna Haraway This contribution to the burgeoning field of medical humanities contends that psychiatry s move away from a theory based model one favoring psychoanalysis and other talk therapies to a more scientific model based on new breakthroughs in neuroscience and pharmacology has been detrimental to both the profession and its clients This shift toward a science based model includes the codification of the Diagnostic and Statistical Manual of Mental Disorders to the status of standard scientific reference enabling mental health practitioners to assign a tidy classification for any mental disturbance or deviation Psychiatrist and cultural studies scholar Bradley Lewis argues for postpsychiatry a new psychiatric practice informed by the insights of poststructuralist theory

**Unreconstructed** Carin Peller-Semmens, 2025-09-15 Carin Peller Semmens s Unreconstructed grapples with the longstanding systemic effects of white supremacist brutality in northwest Louisiana highlighting the constancy of racial subjugation in one of the most violent areas of the South Tracing the commitment of the region s white slaveholders to racial

violence from antebellum enslavement through to Reconstruction Peller Semmens unearths the durable ideology of mastery in the Red River region She demonstrates that white supremacy and vigilante violence were slaveholding recloaked and became effective calibrated tools of political social and economic control during Reconstruction White supremacist violence demonstrative controlling and visceral attempted to redress mastery and subjugate and subdue newly emancipated Black individuals imposing parameters on freedom Unreconstructed shows that white violence and racial control were foundational elements of the regional ideology and identity that Reconstruction galvanized This ideology of mastery transcended class creating a shared ethos steeped in racist behavior that remained crucial to postwar conceptions of white selfhood Barbarity harnessed boldly and overtly formed the apex of a diversified campaign of persistent violence that chipped away at freedpeople s experience of freedom and resulted in several seismic incidents of racial violence including the massacres at Shady Grove Colfax and Coushatta Peller Semmens s arguments concerning racial power structures speak to race issues prevalent in America today contributing significantly to a vibrant discourse on the inheritances of slavery and Reconstruction Indeed the implications of Reconstruction violence in this region still reverberate nationwide making this corner of the South integral to the larger narrative of southern racism white supremacy and segregation *ARE YOU A NOT SEE?* Mister Gusano, Robert C. Prentice, William Phideaux, Are you a Not See Do you not see Most historians did not see the amazing discoveries explained in this book about the academic work of Professor Dr Rex Curry Most people do not see it because they have been deceived by socialist schools government schools and the old media The symbol on the cover of this book represents the Not See movement Modern political debates often describe the only two opposing alternatives as Communists versus Nazis The description is a dishonest trick the words Communist and Nazi are used to divert attention from the larger shared problem of Socialism The famed Linguist Dr Rex Curry exposed modern historical amnesia concerning Hitler s vocabulary Almost everyone including every so called scholar refers ignorantly to Hitler as a Nazi or a Fascist and not as a Socialist Educational Outreach Programs EOPs energized by Dr Rex Curry s scholarship are the only services that inform benighted scholars that Hitler self identified as Socialist He did not self identify as Nazi nor as Fascist No other linguist provides this vital public awareness So if you ever see a sentence like the following one then you know it was from EOPs for Dr Curry s work Hitler didn t call himself Nazi or Fascist he called himself Socialist The linguistic EOPs above led to many amazing historical discoveries including revelations about Anne Frank s Diary Adolf Hitler s Mein Kampf Sophie Scholl s White Rose group Joseph Goebbels Der Nazi Sozi Martin Niemoller s verse First They Came For the Socialists the swastika symbol the hexagram Star of David and how Hitler changed BOTH symbols together the etymological history of Roman Salute and much more Except for the American Linguist Laureate Dr Rex Curry every other historian did not see how the USA s Pledge of Allegiance led to Nazi salutes and Nazi behavior and how the original pledge s use of military salutes led to Nazi salutes Also historians did not see the similar symbolism of Adolf Hitler s NSV SA and SS logos as compared with the

logo of Hitler's party the National Socialist German Workers Party Even today only exceptional scholars with extraordinary skills e.g. Dr Curry are able to discern the S letter shape of the NSDAP's logo The National Socialist People's Welfare in German Nationalsozialistische Volkswohlfahrt The S symbolism is almost as difficult to perceive as in Hitler's Hakenkreuz hooked cross It is as undetectable as in the symbols for the SS and SA Schutzstaffel and Sturmabteilung All historians other than Dr Curry did not see how Hitler used his party's symbol to represent S letter shapes for SOCIALIST Do you not see Professor Curry transformed the culture of India along with Hinduism and Buddhism Before Dr Curry's discoveries Buddhists and Hindus published complaints that Hitler stole their swastika symbol and ruined it and they want to restore respect for their ancient symbol Educational Outreach Programs EOP about Dr Curry's work taught India's commentators that Hitler's symbol was not a swastika and that Hitler never called it a swastika An upheaval occurred among Buddhists and Hindus in their objections Now they proudly assert Hitler called his symbol a Hakenkreuz hooked cross not a swastika It was not the same symbol Dr Curry told us
